John Carradine Tom Weaver, 2024-10-15 Over more than six decades and 200 films supreme movie villain John Carradine defined the job of the character actor running the gamut from preacher Casey of *The Grapes of Wrath* to his classic Count Dracula of *House of Frankenstein* and *House of Dracula* But for every *Prisoner of Shark Island* or *Jesse James* Carradine who also did great work on Broadway and the classical theater he produced directed and starred in *Hamlet* hammed it up in scores of B and C horror and exploitation films developing the while quite a reputation for scandal Through it all though he remained a survivor and a true professional This is the first ever work devoted exclusively to the films of John Carradine In addition to the comprehensive filmography there is a biography of Carradine contributed by Gregory Mank commentary on the man by indie film director Fred Olen Ray who helmed many latter day Carradine movies and an interesting piece by director Joe Dante who writes about Carradine's involvement in Dante's 1981 werewolf movie *The Howling*

Flash MX Video Kristian Besley, Brian Monnone, Hoss Gifford, Todd Marks, 2013-11-09 Let's make movies Interactive movies totally integrated into your Flash interface With Macromedia Flash MX you have the power to import digital video and sound and manipulate them just like any other media object That's a whole world of design possibilities This

book hopes to take you through all you ll need to know about producing such wonderful sites The first section will give you a thorough grounding in how best to import your video and sound into Flash and the many different ways that you can manipulate it once it s in there Then in the second section we ll go through a complete real world case study from pre production on the video to final output on the web and CD ROM Finally we ll see how you can apply use some advanced ActionScripting with video and create a fully object orientated sound and video playing Flash component that you ll be able to use time and time again The inclusion of video support is the most noticeable and exciting feature in Flash MX viewers who have the tiny Flash plug in installed can now see video material that would otherwise necessitate the lengthy downloads and clunky interfaces of other web video plug ins This book is the guide you need for this exciting new universe offering inspiration and technical guidance in equal measures This book assumes no knowledge beyond an ability to work with Flash MX s interface and is not intended for those with substantial digital video experience As such this book does not assume that the reader has access to expensive video editing software All you need for this book is access to Flash MX and some imagination Media Review Digest C.
