

A photograph of a handcrafted wooden door and windows set in a stone archway. The door is made of light-colored wood with vertical paneling and a dark handle. Above the door is a transom window with six small panes. To the right of the door is a tall, narrow window with a single pane. The entire set is framed by a thick wooden archway set into a wall of rough-hewn stone. The image is framed by a thin white border.
