

Making It In Prison The Square The Cool And The Life

**Sandra M. Bucerius, Kevin D.
Haggerty, Luca Berardi**

Making It In Prison The Square The Cool And The Life:

In the Mix Barbara A. Owen, 1998-01-01 Describes life inside the world's largest women's prison from the point of view of the women themselves *Making it in Prison* Esther Heffernan, 1972 **Games Prisoners Play** Marek M. Kaminski, 2018-06-05 On March 11 1985 a van was pulled over in Warsaw for a routine traffic check that turned out to be anything but routine Inside was Marek Kaminski a Warsaw University student who also ran an underground press for Solidarity The police discovered illegal books in the vehicle and in a matter of hours five secret police escorted Kaminski to jail A sociology and mathematics major one day Kaminski was the next a political prisoner trying to adjust to a bizarre and dangerous new world This remarkable book represents his attempts to understand that world As a coping strategy until he won his freedom half a year later by faking serious illness Kaminski took clandestine notes on prison subculture Much later he discovered the key to unlocking that culture game theory Prison first appeared an irrational world of unpredictable violence and arbitrary codes of conduct But as Kaminski shows in riveting detail prisoners to survive and prosper have to master strategic decision making A clever move can shorten a sentence a bad decision can lead to rape beating or social isolation Much of the confusion in interpreting prison behavior he argues arises from a failure to understand that inmates are driven not by pathological emotion but by predictable and rational calculations Kaminski presents unsparing accounts of initiation rituals secret codes caste structures prison sex self injuries and of the humor that makes this brutal world more bearable This is a work of unusual power originality and eloquence with implications for understanding human behavior far beyond the walls of one Polish prison **Correctional Bookshelf** United States. Bureau of Prisons. Library, 1977 **The Oxford Handbook of Ethnographies of Crime and Criminal Justice** Sandra M. Bucerius, Kevin D. Haggerty, Luca Berardi, 2022 The Oxford Handbook of Ethnographies of Crime and Criminal Justice provides critical and current reviews of key research topics issues and debates that crime ethnographers have been grappling with for over a century This volume brings together an outstanding group of scholars to discuss various research traditions the ethical and pragmatic challenges associated with conducting crime related fieldwork relevant policy recommendations for practitioners in the field and areas of future research for crime ethnographers **Our Punitive Society** Randall G. Shelden, 2009-12-30 This brand new text identifies the macroeconomic forces relevant to imprisonment poverty and political powerlessness and explores viable and humane alternatives to our current incarceration binge **Criminal Intimacy** Regina Kunzel, 2022-03-22 Sex is usually assumed to be a closely guarded secret of prison life But it has long been the subject of intense scrutiny by both prison administrators and reformers as well as a source of fascination and anxiety for the American public Historically sex behind bars has evoked radically different responses from professionals and the public alike In *Criminal Intimacy* Regina Kunzel tracks these varying interpretations and reveals their foundational influence on modern thinking about sexuality and identity Historians have held the fusion of sexual desire and identity to be the defining marker of sexual modernity but sex behind

bars often involving otherwise heterosexual prisoners calls those assumptions into question By exploring the sexual lives of prisoners and the sexual culture of prisons over the past two centuries along with the impact of a range of issues including race class and gender sexual violence prisoners rights activism and the HIV epidemic Kunzel discovers a world whose surprising plurality and mutability reveals the fissures and fault lines beneath modern sexuality itself Drawing on a wide range of sources including physicians psychiatrists sociologists correctional administrators journalists and prisoners themselves as well as depictions of prison life in popular culture Kunzel argues for the importance of the prison to the history of sexuality and for the centrality of ideas about sex and sexuality to the modern prison In the process she deepens and complicates our understanding of sexuality in America

Female Crime in India and Theoretical Perspectives of Crime Smriti Bhosle, 2009 Female crime in India traces the emerging importance of the problem of female crime It contains and their characteristics It examines criminals the nature and trends of female crime and attempts to provide some theoretical perspectives of female criminality It is significant work in social science and it makes a contribution to the knowledge of criminology Sociology Psychology Social Work and Law The book will provide valuable information to researchers government functionaries and NGOs It also serves as a resource in addressing crimes by women and will be of interest to a multidisciplinary academics as well as policy makers and activists

Handbook on Prisons Yvonne Jewkes, Ben Crewe, Jamie Bennett, 2016-02-23 The second edition of the Handbook on Prisons provides a completely revised and updated collection of essays on a wide range of topics concerning prisons and imprisonment Bringing together three of the leading prison scholars in the UK as editors this new volume builds on the success of the first edition and reveals the range and depth of prison scholarship around the world The Handbook contains chapters written not only by those who have established and developed prison research but also features contributions from ex prisoners prison governors and ex governors prison inspectors and others who have worked with prisoners in a wide range of professional capacities This second edition includes several completely new chapters on topics as diverse as prison design technology in prisons the high security estate therapeutic communities prisons and desistance supermax and solitary confinement plus a brand new section on international perspectives The Handbook aims to convey the reality of imprisonment and to reflect the main issues and debates surrounding prisons and prisoners while also providing novel ways of thinking about familiar penal problems and enhancing our theoretical understanding of imprisonment The Handbook on Prisons Second edition is a key text for students taking courses in prisons penology criminal justice criminology and related subjects and is also an essential reference for academics and practitioners working in the prison service or in related agencies who need up to date knowledge of thinking on prisons and imprisonment

Corrections: A Text/Reader Mary K. Stohr, Anthony Walsh, Craig Hemmens, 2012-03-20 Corrections A Text Reader Second Edition is designed for undergraduate and or graduate corrections courses Organized like a traditional corrections text it offers brief authored introductions in a mini chapter format for each key Section followed by carefully

selected and edited original articles by leading scholars This hybrid format ensuring coverage of important material while emphasizing the significance of contemporary research offers an excellent alternative which recognizes the impact and importance of new directions and policy in this field and how these advances are determined by research

Female Prisoners, AIDS, and Peer Programs Kimberly Collica, 2012-09-25 This book highlights a neglected area in the field of rehabilitation of female offenders with AIDS It provides data to show how women working as HIV peer educators in prison utilize their peer experiences as a transition point for rehabilitation both inside and outside of the penitentiary HIV and prison are inextricably linked and education has proved to be the one constant that mitigates the spread of both HIV and crime Research on female inmates in general is not frequent and this book presents unique qualitative data that includes rich accounts from the women themselves It illustrates the benefits derived by female inmates who work in an HIV prison based peer program while adding to the criminology literature on female patterns of criminality and rehabilitation It provides a greater understanding of how prison programs affect the processes of criminal desistance and behavioral changes for female inmates Women involved in such programming are able to change the criminal trajectory of their life direction contributing to reduced levels of recidivism and institutional disciplinary infractions The implications for these programs is relevant within the broader perspective of women HIV and incarceration

Corrections Mary K. Stohr, Anthony Walsh, 2020-10-15 Written by former practitioners who are experts in the field Corrections The Essentials Fourth Edition addresses the most important topics in corrections in a brief yet comprehensive format Authors Mary K Stohr and Anthony Walsh introduce students to the history and development of correctional institutions while offering a unique perspective on ethics and special populations The Fourth Edition provides insights into the future of corrections as well as updated coverage of the most important issues impacting the field today This title is accompanied by a complete teaching and learning package

Criminal Justice in America Carla Lewandowski, Jeff Bumgarner, 2020-11-17 This authoritative set provides a comprehensive overview of issues and trends in crime law enforcement courts and corrections that encompass the field of criminal justice studies in the United States This work offers a thorough introduction to the field of criminal justice including types of crime policing courts and sentencing landmark legal decisions and local state and federal corrections systems and the key topics and issues within each of these important areas It provides a complete overview and understanding of the many terms jobs procedures and issues surrounding this growing field of study Another major focus of the work is to examine ethical questions related to policing and courts trial procedures law enforcement and corrections agencies and responsibilities and the complexion of criminal justice in the United States in the 21st century Finally this title emphasizes coverage of such politically charged topics as drug trafficking and substance abuse immigration environmental protection government surveillance and civil rights deadly force mass incarceration police militarization organized crime gangs wrongful convictions racial disparities in sentencing and privatization of the U S prison system

Encyclopedia of Prisons and Correctional Facilities Mary

Bosworth,2005 Are included Annotation 2004 Book News Inc Portland OR booknews com SNI Documents National Criminal Justice Reference Service (U.S.),1978 Sociology and Social Research ,1973 Includes the section Book notes *Document Retrieval Index* ,1974 Irish Political Prisoners 1960-2000 Seán McConville,2021-03-30 This is a comprehensive detailed and humane account of the thousands who came into custody during the years of the Northern Ireland conflict and how they lived out the months years and decades in Irish and English maximum security prisons Erupting in 1969 the Northern Ireland troubles continued with terrible intensity until 1998 The most enduring civil conflict in Western Europe since the Second World War cost almost 4 000 lives inflicted a vast toll of injuries and wrought much destruction Based on extensive archival research and numerous interviews this book covers the jurisdictions of Northern Ireland the Republic of Ireland and England providing an account of riots escapes strip and dirty protests and hunger strikes It paints a picture of coming to terms with sentences some of which lasted for two decades and more Republicans and loyalists male and female prisoners officials and staff families supporters clergy and politicians all played a part and all were changed The narrative includes some of the most remarkable events in prison history anywhere mass breakouts organised cell fouling and prolonged nakedness and hunger striking to the death there are also accounts of the prisoners very effective parallel command structure The book shows how Anglo Irish and intra Irish relations were profoundly affected and how the prisoners involvement and consent were critical to the Good Friday Agreement that ended the long war The final part of a trilogy dealing with Irish political prisoners from 1848 to 2000 by renowned expert Se n McConville this is an essential resource for students and scholars of Irish history and Irish political prisoners it is also a major contribution to the study of imprisonment

Women Criminals Vickie Jensen,2011-11-10 A unique two volume study that examines female crime and the women who commit it The two volume Women Criminals An Encyclopedia of People and Issues addresses both key topics and key figures in women s crime The first volume provides topical essays about areas critical to the understanding of female criminals such as the definition of women s crime explanations of women s criminality ethnic and age diversity in female criminals and responses of the criminal justice system The second volume comprises biographical entries profiling women who are obviously criminals such as Aileen Wuornos and Myra Hindley and also women who were victims of circumstance unjust laws or narrowly applied definitions of crime such as Rosa Parks Harriet Tubman and Sophie Scholl In addition to highlighting the breadth of women s criminality these portraits provide a holistic multifaceted understanding of the dynamics of women s crime and why it occurs connecting the individual stories to the larger social scientific perspectives Care has been taken to include the women s own voices and perspectives where possible and to address the intentions and reasoning of the system that responded to their criminality

Neutralizing Inmate Violence Barry C. Feld,1977
