Making Love With Light Contemplating Nature With Words And Photographs:

Making Love with Light John Daido Loori, 2007-01 This book of exquisite photographs arises from the premise that unless we love nature we will not work to save it from exploitation and eventual destruction The rich mixture of photographs Zen poems and essays presented on these pages is intended to open our hearts to the wild and the wilderness and to direct us to the ways in which we can heal the earth The author is an award winning photographer and videographer and his art and wildlife photography from the core of a unique teaching programme that integrates art and wilderness training and cultivates an experiential appreciation of the relationship of Zen spirituality to our natural environment *Riding the Ox*

Invoking Reality John Daido Loori, 2007-06-19 There is a common misconception that to practice Zen is to practice meditation and nothing else In truth traditionally the practice of meditation goes hand in hand with moral conduct In *Invoking Reality* John Daido Loori one of the leading Zen teachers in America today presents and explains the ethical precepts of Zen as essential aspects of Zen training and development The Buddhist teachings on morality the precepts predate Zen going all the way back to the Buddha himself They describe in essence how a buddha or awakened person lives his or her life in the world Loori provides a modern interpretation of the precepts and discusses the ethical significance of these vows as guidelines for living Zen is a practice that takes place within the world he says based on moral and ethical teachings that have been handed down from generation to generation In his view the Buddhist precepts form one of the most vital areas of spiritual practice

Bringing the Sacred to Life John Daido Loori, 2008-03-11 Zen rituals such as chanting bowing lighting incense before the Buddha statue are ways of recognizing the sacredness in all of life A ritual is simply a deliberate and focused moment that symbolizes the care with which we should be approaching all of life and practicing the Zen liturgy is a way of cultivating this quality of attention in order to bring it to everything we do Here John Daido Loori demystifies the details of the Zen rituals and highlights their deeper meaning and purpose We humans are all creatures of ritual he teaches whether we recognize it or not Even if we don't make ritual part of some religious observance we still fall into ritual behavior whether it be our daily grooming sequence or the way we have our morning coffee and paper We run through our personal rituals unconsciously most of the time but there is great value to introducing meaningful symbolic rituals into our lives and to performing them deliberately and mindfully because the way we do ritual affects the way we live

the rest of our lives The book includes instructions for a simple Zen home liturgy as it is practiced by students of the Mountains and Rivers Order of Zen *The Eight Gates of Zen* John Daido Looi,2002-09-10 This accessible introduction to the philosophy and practice of Zen Buddhism includes a program of study that encompasses practically every aspect of life The American Zen teacher John Daido Looi shows us that Zen practice should include not only meditation the study of Zen literature and liturgy and moral and ethical action but should also manifest in work artistic and everyday activities The Eight Gates are 1 Zazen a type of meditation described as sitting Zen 2 Face to face meetings between teacher and student 3 Academic study of the sutras related to Zen training other schools of Buddhism Buddhist history psychology and philosophy 4 Zen rites and rituals and their meaning 5 The moral and ethical requirements set in the Buddhist Precepts 6 Art practice as an extension of Zen practice 7 Body practice as an extension of Zen practice 8 Work as an active function of zazen Beautifully illustrated with Looi s own photographs this edition also includes a new introduction and an updated reading list
