Pitcairn Richard Bean, 2014-08-26 In the southern Pacific Ocean on the remote island of Pitcairn the infamous mutineers of The Bounty led by Fletcher Christian or should it be Titreano begin to establish a new society alongside their Tahitian followers Tensions quickly swell as the British settlers refuse to relinquish the vices of their past Social racial and sexual schisms render the once paradisiac island into a hotbed of discord and bloody violence Pitcairn vividly explores the conflict between personal freedoms and public responsibilities Pitcairn is Richard Bean s brutal telling of the colonisation of the remote island of Pitcairn by Fletcher Christian and the Bounty mutineers The play charts with salty humour and growing horror the spiralling descent of the colony from a new Eden of freedom and equality to a brutal dystopia

A Thousand Stars Explode in the Sky David Eldridge, Robert Holman, Simon Stephens, 2013-10-21 On a farm in the North East of England a family gathers Five brothers and four generations feature in an epic play about hope love fear and the very end of time A Thousand Stars Explode in the Sky is a refreshingly subtle and compassionate vision of the world on the edge of apocalypse Within a cosmological context the focus is on a single family their relations with each other and their unreconciled regrets soon to become permanent With an ensemble of strong engaging characters there are knotty realistic family dynamics and a palimpsest of recent family history The characters and dialogue are naturalistic but the serious themes are elucidated and alleviated with humour and quirky surreal touches The play represents a unique collaboration between three of the UK s pre eminent stage writers The ambition of the partnership is matched by the ambition of the play s sweeping scope Whilst the three voices collide they also ring out individually without sacrificing the piece s coherent wholeness and the play represents a rare fascinating study in stage collaboration
