Making Of The Jewish Middle Class Women Family And Identity In Imperial Germany:

The Making of the Jewish Middle Class Marion A Kaplan, American Council of Learned Societies, 1994 The making of the Jewish middle class: women, family, and identity in Imperial Germany Marion A. Kaplan, 1991 **German-Jewish Cultural Identity from 1900 to the Aftermath of the First World War** Elisabeth Albanis, 2013-04-09 By illustrating the quintessentially different self perceptions of three German writers of Jewish background all born in or around 1880 in Berlin this book examines a range of German Jewish identities in a socio cultural context in Wilhelmine Germany Moritz Goldstein 1880 1977 the conflict of his dual identity and the interplay between being a German writer and a cultural Zionist is covered first Particular attention is given to the genesis of his essay *Deutsch j discher Parna* with its call for Jews to vacate their seats in German literary culture The range of positions unfolding in the debate following its publication in *Der Kunstwart* in 1912 serves to illustrate the spectrum of German Jewish self definition at the time In the second part the writings of Julius Bab 1880 1955 are examined in so far as they shed light on his advocacy of a synthesis of *Deutschtum* and *Judentum* The far side of the spectrum of German Jewish self definition is represented by Ernst Lissauer 1882 1937 who propagated complete assimilation considering the Jewish element as an obstacle which had to be overcome on the road to *Deutschtum* This study depicts how external cultural and political influences shaped the transformation of their ideas of what it meant to be Jewish in Germany and how they responded to increasing anti-Semitism By recognising the way in which the individual's cultural identity was constantly refashioned in the face of external challenges a fuller understanding of the evolving self perception of German Jews is reached **Jewish Women in the Early Italian Women's Movement, 1861-1945** Ruth Nattermann, 2022-06-30 This book is the first epoch spanning study on Jewish participation in the Italian women's movement focussing in a transnational perspective on the experience of Italian Jewish protagonists in Liberal Italy during the First World War and the Fascist dictatorship until 1945 Drawing on ego documents contemporary journals and Jewish community archives as well as records by the police and public authorities it examines the tensions within the emancipation process between participation and exclusion The book argues that the racial laws from 1938 did not represent the sudden end of an idyllic integration but rather the climax of a long term development Social marginalization the persecution of Jewish rights and the assault on Jewish lives during fascism are analysed distinctly from the perspective of Jewish women In spite of their significant influence on the transnational orientation of the Italian women's movement their emancipation as women and Jews remained incomplete *The Origin of the Modern Jewish Woman Writer* Michael Galchinsky, 2018-02-05 Analyses the development of Jewish women's writing in relation to Victorian literary history women's cultural history and Jewish cultural history Between 1830 and 1880 the Jewish community flourished in England During this time known as *haskalah* or the Anglo Jewish Enlightenment Jewish women in England became the first Jewish women anywhere to publish novels histories periodicals theological tracts and conduct manuals *The Origin of the Modern Jewish Woman Writer* analyzes this critical but

forgotten period in the development of Jewish women's writing in relation to Victorian literary history, women's cultural history, and Jewish cultural history. Michael Galchinsky demonstrates that these women writers were the most widely recognized spokespersons for the *haskalah*. Their romances, some of which sold as well as novels by Dickens, argued for Jewish emancipation in the Victorian world and women's emancipation in the Jewish world.

American Religions and the Family Don S. Browning, David A. Clairmont, 2007 Religions respond to capitalism, democracy, industrialization, feminism, individualism, and the phenomenon of globalization in a variety of ways. Some religions conform to these challenges; if not, they capitulate to them, some critique or resist them, and some work to transform the modern societies they inhabit. In this unique collection of critical essays, scholars of Judaism, Christianity, Islam, Hinduism, Buddhism, Confucianism, and Native American thought explore the tension between modernization and the family, sexuality, and marriage traditions of major religions in America. Contributors examine how various belief systems have confronted changing attitudes regarding the meaning and purpose of sex, the definition of marriage, the responsibility of fathers, and the status of children. They also discuss how family law in America is beginning to acknowledge certain religious traditions and how comparative religious ethics can explain and evaluate diverse family customs. Studies concerning the impact of religious thought and behavior on American society have never been more timely or important. Recent global events cannot be fully understood without comprehending how belief systems function and the many ways they can be employed to the benefit and detriment of societies. Responding to this critical need, *American Religions and the Family* presents a comprehensive portrait of religious cultures in America and offers secular society a pathway for appreciating religious tradition.

Edith Stein's Life in a Jewish Family, 1891-1916 Joyce Avrech Berkman, 2023-04-04 Edith Stein's *Life in a Jewish Family, 1891-1916* is a treasure trove for the study of Stein's youth and early adulthood, her approach to writing autobiographically, and her intricate relationship with historical influences of her time and place. Through intellectual mining of Stein's narrative and conducting a comprehensive historical analysis of Stein's achievement as a distinct type of autobiography, Joyce Avrech Berkman argues that a key axis of Stein's consciousness, values, philosophical ideas, and life choices is a deep, tense, unresolved philosophical and spiritual struggle to both uphold traditional societal and cultural values and practices and also critiquing them to pioneer new patterns of thought. Berkman further probes the sharply controversial nature of Stein's autobiography for her family members and Stein scholars in the decades after her death. *Edith Stein's Life in a Jewish Family, 1891-1916: A Companion* serves as an important guide to scholars in autobiographical studies, history, philosophy, and theology, as well as to a broader readership interested in Stein's life for religious and cultural reasons.

Women Remaking American Judaism Riv-Ellen Prell, 2007-08-20 The rise of Jewish feminism, a branch of both second-wave feminism and the American counterculture in the late 1960s, had an extraordinary impact on the leadership, practice, and beliefs of American Jews. *Women Remaking American Judaism* is the first book to fully examine the changes in American Judaism as women fought to practice their religion fully and to ensure that its rituals, texts,

and liturgies reflected their lives In addition to identifying the changes that took place this volume aims to understand the process of change in ritual theology and clergy across the denominations The essays in *Women Remaking American Judaism* offer a paradoxical understanding of Jewish feminism as both radical in the transformational sense and accommodationist in the sense that it was thoroughly compatible with liberal Judaism Essays in the first section *Reenvisioning Judaism* investigate the feminist challenges to traditional understanding of Jewish law texts and theology In *Redefining Judaism* the second section contributors recognize that the changes in American Judaism were ultimately put into place by each denomination their law committees seminaries rabbinic courts rabbis and synagogues and examine the distinct evolution of women's issues in the Orthodox Conservative Reform and Reconstructionist movements Finally in the third section *Re Framing Judaism* essays address feminist innovations that in some cases took place outside of the synagogue An introduction by Riv Ellen Prell situates the essays in both American and modern Jewish history and offers an analysis of why Jewish feminism was revolutionary *Women Remaking American Judaism* raises provocative questions about the changes to Judaism following the feminist movement at every turn asking what change means in Judaism and other American religions and how the fight for equality between men and women parallels and differs from other changes in Judaism *Women Remaking American Judaism* will be of interest to both scholars of Jewish history and women's studies

Kiev, Jewish Metropolis Natan M. Meir, 2010-06-30 The readmission of some categories of Jews into Kiev in 1859 brought about a rapid rise of the Jewish community in the city Kiev had a symbolical significance as the mother of the Russian cities and was an important religious center so the massive migration of Jews in it provoked anxiety among the Christians The authorities and to some extent voluntary associations of Kiev tried to maintain a segregation between the Jews and non Jews while attacking Jews for their isolation they opposed also Jewish cultural assimilation Describes the pogrom of 1881 and the bloody pogrom of October 1905 Argues that the pogroms of 1881 in Kiev and elsewhere took place mainly in the areas of new Jewish settlement The pogromists in Kiev called not so much to beat the Jews as to expel them from the city Dismisses the view that the perpetrators of the pogrom were vagabond workers from central Russia the role of the locals in the riot was significant The 1905 pogrom was a by product of the revolution in which many Jews took part The authorities not only were reluctant to stop it as it was also in 1881 but even encouraged the rioters for violence Christian neighbors nearly always refused to hide or to protect Jews Dozens were killed in what the nationalists regarded as a symbolic reconquest of Kiev from seditionist Jews Describes also the Beilis case in Kiev which can be regarded that an anti Jewish campaign launched by the all Russian right rather than by Kiev antisemites The pogroms shattered the hopes of most Jews for peaceful coexistence with non Jews but did not stop the Jewish migration to Kiev and their acculturation

German Jews and the Persistence of Jewish Identity in Conversion Angela Kuttner Botelho, 2021-08-23 This book explores the fraught aftermath of the German Jewish conversionary experience through the story of one family as it grapples with the meaning of its Jewish origins in a post

Holocaust post conversionary milieu Utilizing archival family texts and multiple interviews spanning three generations beginning with the author s German Jewish parents 1940s refugees and engaging the insights of contemporary scholars the book traces the impact of a contested Jewish identity on the deconstruction and reconstruction of the Jewish self The Holocaust as post memory and the impact of the German Jewish culture personified by the author s parents leads to a retrieval of a lost Jewish identity postmodern in its implications reinforcing the concept of Judaism as ultimately a family affair Focusing on the personal to illuminate a complex historical phenomenon this book proposes a new cultural history that challenges conventional boundaries of what is Jewish and what is not
