Making Avonlea Irene Gammel, 2002-01-01 Invoking theories of popular culture film literature drama and tourism contributors probe the emotional attachment and loyalty of many generations of readers to L M Montgomery's books **The Intimate Life of L.M. Montgomery** Irene Gammel, 2005-01-01 Who ultimately is L M Montgomery and why was there such an obsession with secrecy hiding and encoding in her life and fiction Delving into the hidden life of Canada's most enigmatic writer *The Intimate Life of L M Montgomery* answers these questions The eleven essays illuminate Montgomery's personal writings and photographic self portraits and probe the ways in which she actively shaped her life as a work of art This is the first book to investigate Montgomery's personal writings which filled thousands of pages in journals and a memoir correspondence scrapbooks and photography Using theories of autobiography and life writing the essays probe the author's flair for the dramatic and her exuberance in costuming while also exploring the personal facts behind some of her fiction including the beloved Anne of Green Gables Focussing on topics such as sexuality depression marriage aging illness and writing the essays strip away the layers of art and artifice that disguised Montgomery's most intensely guarded secrets including details of her affair with Herman Leard her marriage with Ewen Macdonald and her friendships with Nora Lefurgey and Isabel Anderson The book also includes rare photographs taken by Montgomery and others many of which have not previously appeared in print One of the highlights of *The Intimate Life of L M Montgomery* is the inclusion of a secret diary that Montgomery wrote with Lefurgey in 1903 This hilarious document is a rare find for Montgomery's teasing banter presents us with a new voice that is distinct from the sombre tone of her journals Published here for the first time more than 100 years after its composition this diary is virtually unknown to readers and scholars and is a welcome addition to the literature on this important figure This volume fills in many of the blanks surrounding Montgomery's personal life Engaging and erudite it is a boon for scholars and Montgomery fans alike [The L.M. Maud Montgomery Mary Henley Rubio, 2011-02-18 Mary Henley Rubio has spent over two decades researching Montgomery's life and has put together a comprehensive and penetrating picture of this Canadian literary icon all set in rich social context Extensive interviews with people who knew Montgomery her son maids friends relatives all now deceased are only part of the material gathered in a journey to understand Montgomery that took Rubio to Poland and the highlands of Scotland From Montgomery's apparently idyllic childhood in Prince Edward Island to her passion filled adolescence and young adulthood to her legal fights as world famous author to her shattering experiences with motherhood and as wife to a deeply troubled man this fascinating intimate narrative of her life will engage and delight **Crossing Textual Boundaries**

in International Children's Literature Lance Weldy, 2011-01-18 As the first part of the title indicates my interest in looking at intertextuality and transformation still maintains a prominent place throughout this book as well If we believe that no text is an island then we will understand that the relationships between and within texts across the years become a fascinating place for academic inquiry I included the word boundaries into the title because we never get tired of voicing our opinions about texts which traverse relegated boundaries such as genre or medium Not only am I interested in discussing what these changes across boundaries mean socially historically and culturally but also what they mean geographically which accounts for the second part of my title I am very excited that this book will be placing even more emphasis on children's literature in an international scene than my first book did in the sense that I have added more scholars on an international level I hesitate to list the nationalities of all of the contributors here because quite a few have themselves crossed international boundaries in different ways by either studying abroad or finding permanent residency in foreign countries Nevertheless the writers have lived extensively in or identify as being from Australia Canada England Finland Germany Greece Iceland Ireland Israel Norway Spain Sweden Turkey the United States of America and Wales Introduction **Anne of Green Gables** L.M. Montgomery, 2004-11-17 L M Montgomery's *Anne of Green Gables* is one of the best known and most

enduringly popular novels of the twentieth century First published in 1908 it has never been out of print and it continues nearly a century after its first appearance to appeal to new readers in many locations around the world Anne of Green Gables is the story of how a little girl adopted from an orphan asylum by a brother and sister seeking a boy to help them on their Prince Edward Island farm grows to responsible young adulthood and as she grows brings light and life to her adoptive home Although it is as Montgomery described it in her journal a simple little tale it has nonetheless generated not only an international readership but more recently an increasing critical interest that focuses on the text's engagement with social and political issues its relation to Montgomery's life and her other writing and its circulation as a popular cultural commodity in Canada and elsewhere This Broadview edition is based on the first edition of Anne of Green Gables It includes a critical introduction and a fascinating selection of contemporary documents including contemporary reviews of the novel other writings by L M Montgomery stories writings on gender and on writing and excerpts from the Pansy books by Isabella Macdonald Alden

Negotiating Translation and Transcreation of Children's Literature Joanna Dybiec-Gajer, Riitta Oittinen, Małgorzata Kodura, 2020-05-04 This book offers fresh critical insights to the field of children's literature translation studies by applying the concept of transcreation established in the creative industries of the globalized world to bring to the fore the transformative transgressional and creative aspects of rewriting for children and young audiences This socially situated and culturally dependent practice involves ongoing complex negotiations between creativity and normativity balancing text related problems and genre conventions with readers expectations constraints imposed by established canonical translations and publishers demands Focussing on the translator's strategies and decision making process the book investigates phenomena where transcreation is especially at play in children's literature such as dual address ambiguity nonsense humour play on words and other creative language use these also involve genre specific requirements for example rhyme and rhythm in poetry The book draws on a wide range of mostly Anglophone texts for children and their translations into languages of limited diffusion to demonstrate the numerous ways in which information meaning and emotions are transferred to new linguistic and cultural contexts While focussing mostly on interlingual transfer the volume analyses a variety of translation types from established canonical renditions by celebrity translators to non professional translations and intralingual rewritings It also examines iconotextual dynamics of text and image The book employs a number of innovative methodologies from cognitive linguistics and ethnolinguistics to semiotics and autoethnographic approaches going beyond text analysis to include empirical research on children's reactions to translation strategies Highlighting the complex dynamics at work in the process of transcreating for children this volume is essential reading for students and researchers in translation studies children's fiction and adaptation studies
