

Love takes work.

Marriage takes a LOT of work.

when you committed to your spouse,
you committed to **admitting** you are
sometimes wrong.

letting go of little things that bother you.

forgiving, **even when it is hard.**

giving patience, even when you don't want to.

listening, because it is important.

humbling yourself, because you need to.

growing and learning from your spouse,

because you are both different.

fulfilling your spouse's needs, because you love
them and that **shows love.**

being kind even when you are upset, because that is
what **respect in marriage is.**

Sexperiment Ed Young, Lisa Young, 2012-01-10 The predominant message in our culture is that it s okay to have sex whenever wherever and however we want Sex has become just sex But while society has taken sex too far the church hasn t taken it far enough God wants couples to make love in marriage with passion with purpose and with pleasure Marriages aren t experiencing all the benefits that come from a healthy sex life Couples are facing a barrage of influences that keep them from connecting with each other regularly the kids the career the house the errands etc *SEXPERIMENT* shows people that sex in marriage is more than just sex and it s more than a chore The Youngs believe it s time to get back to understanding the context of sex in marriage and that it s time for couples to break the barriers keeping them from a healthy sexual relationship Couples ought to experience the benefits of having sex regularly intentionally and creatively *SEXPERIMENT* will allow couples to discover that the intersection of God and sex can lead to a life punctuated by exclamation marks

Making Marriage Work Rob Pascale, Louis H. Primavera, 2016-02-23 Staying happily married has become a difficult proposition in recent times Although the institution is still firmly embedded in our culture divorce rates have steadily climbed since the 1960s While some marriages are truly divorce worthy many other broken marriages can be saved Recent emphasis on personal needs and greater social acceptance of divorce and alternative lifestyles may have weakened the resolve of partners to work through their problems Furthermore many couples may not realize that problems in their current marriages are likely to surface in other relationships Consequently while they may consider divorce a solution it may in fact only be a stepping stone to the next relationship where patterns may repeat Solving marital differences can be difficult They tend to be linked to or caused by other problems and that can make it hard to identify the real reasons for conflicts Without knowing the true nature of their problems couples cannot arrive at solutions that actually work To understand the underlying issues that plague many marriages the authors look to the research conducted on the subject over the past fifty years and to real life stories of success and failure to outline the major issues that detract from marital stability Drawing on Louis Primavera s twenty five years in private practice as a marriage counselor each chapter is peppered with anecdotes that every married person can relate to and that help bring issues to life The authors also propose frank and honest solutions that can help couples have more satisfying relationships Anyone looking to improve their marriage will find

suggestions for sussing out the underlying problems they may be experiencing and guidance for addressing those problems

The Secrets of Surviving Infidelity Scott Haltzman, 2013-06-01 The secret to surviving infidelity can be summed up in one word trust Along with changes in the workplace and the explosive growth of electronic communications there has been a skyrocketing rate of infidelity Today up to forty percent of American marriages endure the pain of a cheating partner The media is filled with stories of married politicians finding their soul mates and titillating instances of unfaithful celebrities But in the homes of ordinary people everywhere infidelity triggers complex emotions and events that affect everyone involved Many marriage and personal therapists have adopted a me first mentality prompting hurt spouses to end their relationships Psychiatrist Scott Haltzman retired Brown University professor recommends exactly the opposite The Secrets of Surviving Infidelity teaches both the victim and the perpetrator of infidelity how to acknowledge their feelings reduce their sense of despair and begin the difficult task of rebuilding a strong relationship People who cheat act much like those who have other addictions and brain scans of

love struck individuals show a dramatic increase in the release of dopamine the same brain neurochemical associated with cocaine abuse Haltzman does not excuse infidelity by labeling it a sex addiction it s not orgasm that drives a partner to cheat Instead Haltzman coins the term flame addiction to describe how like a moth drawn to the light people feel compelled to have extramarital intimacy despite all the negative consequences People who have been cheated on feel shame rage and injured self esteem Many of them fear abandonment and find it hard to cope When both partners have made a commitment to move forward together however Dr Haltzman validates each person s feelings and puts them into perspective offering sound advice on how to recover their equilibrium and reestablish a committed trust filled relationship Live the Best Life Possible by Surviving Marriage R. Harper Mason,2011-12-16 **True Betrayal** Brad Hambrick,2025-08-11 True Betrayal by counselor and pastor Brad Hambrick outlines a clear compassionate and biblical 9 step framework for processing and healing from your spouse s sexual infidelity Boys Should Be Boys Meg Meeker,2008-05-20 In Boys Should Be Boys one of our most trusted authorities helps parents restore the delights of boyhood and enable today s boys to become the mature confident and thoughtful men of tomorrow Boys will always be boys rambunctious adventurous and curious climbing trees building forts playing tackle football and pushing their growing bodies to the limit as part of the rite of passage into manhood But today our sons face an increasingly hostile world that doesn t value the high spirited magical nature of boys In a collective call to let our boys be boys Dr Meg Meeker explores the secrets to boyhood *The Unwritten Rules of PhD Research* Marian Petre,2010-01-01 This title from Gordon Rugg and Marian Petre discusses the unwritten rules of the academic world the things people forget to tell you about doing a doctorate **Just Love Her** D. E. Fast,2022-06-09 What you need is a good woman That was my mother s consistent counsel from the time I didn t get asked to play on the neighborhood little league team to when Donna and I broke up in high school What you need is a good woman Don I believed my mother when she said it I didn t walk around on a daily basis and repeat the mantra of the good wife but I did take it to heart It wasn t until I got married that I realized that although I had a good woman life wasn t getting easier or more fulfilling in fact it was getting much much harder One of the goals of Just Love Her is to identify a number of the fallacies that many of us men have hung onto believing like me in my younger days that when you find the right woman all your problems will magically disappear Most of the time not all but most it s after marriage that the real problems begin It s not that they weren t there before it s just that our good woman turns into a full length relational mirror exposing the sin and idolatries that were already there but were easy to run away from before we got hitched to our eventual bad wife This little book will identify one of the main causes of bad marriages idolatry Many if not most men worship the ground she walks on instead of just loving her *The 4 Seasons of Marriage* Gary Chapman,2012-09 Compares the transitional cycles of marriage to those of nature describes the attitudes and emotions of each season and offers seven strategies that enable couples to enhance and improve their marital relationship
