work

mentoring is a relationship between two people where one person (the mentor) provides guidance, support, and advice to another person (the mentee) who is seeking to learn from their experience and expertise.

mentoring can take many forms, from formal programs to informal relationships. It can be one-to-one or group-based, and it can be focused on specific skills or broader career development.

mentoring is a powerful tool for personal and professional growth, and it can be a valuable experience for both the mentor and the mentee.
