Making Of Saints

Kenneth L. Woodward

Making Of Saints:

Making saints : how the catholic church determines who becomes a saint, who doesn't, and why Kenneth L. Woodward,1990 Making Saints Kenneth L. Woodward,2016-04-26 From inside the Vatican the book that became a modern classic on sainthood in the Catholic Church Working from church documents Kenneth Woodward shows how saint makers decide who is worthy of the church s highest honor He describes the investigations into lives of candidates explains how claims for miracles are approved or rejected and reveals the role politics papal and secular plays in the ultimate decision From his examination of such controversial candidates as Archbishop Oscar Romero of El Salvador and Edith Stein a Jewish philosopher who became a nun and was gassed at Auschwitz to his insights into the changes Pope John Paul II has instituted Woodward opens the door on a 2 000 year old tradition **The Making of Saints** Michael Freze,1991 Making Sense of Saints Patricia Ann Kasten,2014-04-16 Saint cards statues and medals Saint posters tee shirts and costumes Even saint apps and Facebook pages Who are these saints and why do they matter to me Who decided they were saint worthy in the first place Why aren t there more present day saints Now everything you always wanted to know about saints and some things you didn t know you wanted to know all in this fun and handy book that is perfect for families teachers catechists and everyone hoping to grow in their faith with the help of these holy hall of famers You ll be fascinated and delighted by topics such as Just Four Easy Sort of Steps The Canonization Process Doesn t He Just Glow Saints Symbols There s a Man Buried under the Altar Relics of Saints Holy Haloes God Made Man Saints and Martyrs as Superheroes Yo ho ho The Treasure Chest of the Church And much more Let Patricia Kasten help clear up canonization demystify monastics and unriddle relics in Making Sense of Saints **Making Saints in Modern China** David Ownby,2017 Sainthood has been and remains a contested category in China given the commitment of China s modern leadership to secularization modernization and revolution and the discomfort of China s elite with matters concerning religion However sainted religious leaders have succeeded in rebuilding old institutions and creating new ones despite the Chinese government s censure This book offers a new perspective on the history of religion in modern and contemporary China by focusing on the profiles of these religious leaders from the early 20th century through the present Edited by noted authorities in the field of Chinese religion Making Saints in Modern China offers biographies of prominent Daoists and Buddhists as well as of the charismatic leaders of redemptive societies and state managers of religious associations in the People s Republic The focus of the volume is largely on figures in China proper although some attention is accorded to those in Taiwan Hong Kong and other areas of the Chinese diaspora Each chapter offers a biography of a religious leader and a detailed discussion of the way in which he or she became a saint The biographies illustrate how these leaders deployed and sometimes retooled traditional themes in hagiography and charismatic communication to attract followers and compete in the religious marketplace Negotiation with often hostile authorities was also an important aspect of religious leadership and many of the saints stories reveal unexpected reserves of

creativity and determination The volume s contributors from the United States Canada France Italy China and Taiwan provide cutting edge scholarship Taken together these essays make the case that vital religious leadership and practice has existed and continues to exist in China despite the state s commitment to wholesale secularization *Ordinary Saints* Stuart C. Devenish,2017-03-08 How does God manifest himself in the world Through the righteous lives of his holy people the saints As a religion of witnesses Christianity is dependent upon its saints defined as activated disciples to testify to the grace of Christ and the kingdom of God Their lives are walking billboards of the value of Jesus teaching and authenticity of Christianity as an ancient spiritual pathway This is a book about saints who are alive now and whose everyday acts of kindness and goodness announce that God is at work in the world Like Jesus their Master they are the message the messenger and the working model of the kingdom of God in a lesser key In following Jesus ordinary saints are willing to give away their lives in order to convey the substance of their faith to a watching world If ever there was a time when saints need to live courageously for Christ in the world it is now But it will take conviction credibility and a great deal of audacity *Ordinary Saints* explores what it means to be a saint in the twenty first century by exploring the depth dimensions of saints lives bodies emotions values and relationships *The Making of Saints* James F Hopgood,2005-04-24 A multidisciplinary study of the commonalities between heroes icons saints and their institutions across several cultures *The Saint Makers* Joe Drape,2020-12-01 Part biography of a wartime adventurer part detective story and part faith journey this intriguing book from a New York Times journalist and bestselling author takes us inside the modern day making of a saint *The Saint Makers* chronicles the unlikely alliance between Father Hotze and Dr Andrea Ambrosi a country priest and a cosmopolitan Italian canon lawyer as the two piece together the life of a long dead Korean War hero and military chaplain and fashion it into a case for eternal divinity Joe Drape offers a front row seat to the Catholic Church s saint making machinery which in many ways has changed little in two thousand years and examines how or if faith and science can co exist This rich and unique narrative leads from the plains of Kansas to the opulent halls of the Vatican through brutal Korean War prison camps and into the stories of two individuals Avery Gerleman and Chase Kear whose lives were threatened by illness and injury and whose family and friends prayed to Father Kapaun sparking miraculous recoveries in the heart of America Gerleman is now a nurse and Kear works as a mechanic in the aerospace industry Both remain devoted to Father Kapaun whose opportunity for sainthood relies in their belief and medical charts At a time when the church has faced severe scandal and damage and the world is at the mercy of a pandemic this is an uplifting story about a priest who continues to an example of goodness and faith Ultimately *The Saint Makers* is the story of a journey of faith for two priests separated by seventy years for the two young athletes who were miraculously brought back to life with or without the intercession of the divine as well as for readers and the author trying to understand and accept what makes a person truly worthy of the Congregation of Saints in the eyes of the Catholic Church **A Saint of Our Own** Kathleen Sprows Cummings,2019-02-27 What drove U S Catholics

in their arduous quest full of twists and turns over more than a century to win an American saint The absence of American names in the canon of the saints had left many of the faithful feeling spiritually unmoored But while canonization may be fundamentally about holiness it is never only about holiness reveals Kathleen Sprows Cummings in this panoramic passionate chronicle of American sanctity Catholics had another reason for petitioning the Vatican to acknowledge an American holy hero A home grown saint would serve as a mediator between heaven and earth yes but also between Catholicism and American culture Throughout much of U S history the making of a saint was also about the ways in which the members of a minority religious group defined defended and celebrated their identities as Americans Their fascinatingly diverse causes for canonization from Kateri Tekakwitha and Elizabeth Ann Seton to many others that are failed forgotten or still under way represented evolving national values as Catholics made themselves at home Cummings s vision of American sanctity shows just how much Catholics had at stake in cultivating devotion to men and women perched at the nexus of holiness and American history until they finally felt little need to prove that they belonged

Reading and Writing History from Bruni to Windschuttle Christian Thorsten Callisen, 2016-04-08 Featuring work by researchers in the fields of early modern studies Italian studies ecclesiastical history and historiography this volume of essays adds to a rich corpus of literature on Renaissance and early modern historiography bringing a unique approach to several of the problems currently facing the field Essays fall into three categories the tensions and challenges of writing history in Renaissance Italy the importance of intellectual philosophical and political contexts for the reading and writing of history in renaissance and early modern Europe and the implications of genre for the reading and writing of history By collecting essays that cut across a broad cross section of the disciplines of history and historiography the book is able to offer solutions encourage discussion and engage in ongoing debates that bear direct relevance for our understanding of the origins of modern historical practices This approach also allows the contributors to engage with critical questions concerning the continued relevance of history for political and social life in the past and in the present
