Making Original Dolls Molds:

Designing the Doll Susanna Oroyan, 2010-11-05 The author of *Anatomy of a Doll* gives us a gift by distilling the spirits found in doll figure art then explains the fundamentals to pave the way Barbara Campbell editor of *Soft Dolls Animals* Advance your dollmaking skills with this in depth guide by master dollmaker Susanna Oroyan Susanna introduces you to her concept of imaginative engineering with a collection of design directions and technical processes that will help your ideas translate into reality Expands on concepts presented in *Anatomy of a Doll* and *Fantastic Figures* Covers a wide variety of construction methods such as applications of wire armature in body construction general concepts of mold making sculpture mechanics in depth discussion of jointed figures and methods of assembling your doll More than 250 full color photos of dolls from 130 of the world's top doll artists Over 200 detailed illustrations Explains elements of design such as focal point scale harmony style and the use of color texture and pattern Learn techniques of proportion for working with the human figure An excellent technical resource and reference book that will teach you how to develop ideas then construct advanced art figures or dolls The doll world has only just recovered from the excitement of having *Anatomy of a Doll* which showed us what was possible Now we can learn to get it with this new effort the fabulous *Designing the Doll* Thank you Susanna where would we be without you Elinor Peace Bailey author of *Storytelling with Dolls* Demystifies the creation of dolls by offering techniques basic construction and some very good thoughts on design Filled with diagrams and color photos of dolls from some of the top contemporary doll makers inspiration is on every page Polymer Clay *Making To-Live-For Dolls* Celia Desmond, 2013-04 This book is a must read for anyone making a porcelain doll wanting to enter in a competition In the book you will find tips and information from notes taken at seminars and private lessons with the top doll makers in the world today There are two main categories of porcelain dolls modern and antique Modern dolls are those sculpted by modern artists Antique dolls are those that were first introduced and sold either more than fifty years ago or by some definitions more than one hundred years ago Actual antique dolls can be purchased for enjoyment and possibly to use as models for the making of reproductions Excellent reproductions of the antique dolls can be made by modern day artists Modern dolls are those sculpted by current day sculptors Modern dolls can be painted and dressed in any way the doll artisan prefers They can have painted eyes or the holes can be cut out from the porcelain before the bisque firing to allow the insertion of glass eyes Neither technique is easy Each has its own challenges and both look nice when done well These dolls can be dressed in any way the artist wishes as well Reproductions of antiques must be done so that the artist reproduces the original patterns and colors as they were initially done on the specific dolls This means reproducing the eyes with the same number of lashes that the artists painted on the antique dolls the same slant and the same spacing Dressing the antique reproductions poses another challenge as the dolls should be dressed in a period costume appropriate for that doll The fabrics should be natural fibers often actual vintage or antique fabrics Significant research is required to determine what styles fabrics and colors

should be used for specific dolls This book has a wonderful collection of tips collected from the experts These are helpful for all doll makers especially people preparing for competitions This book contains a wealth of information for lovers and makers of both modern and reproduction antique dolls The information has been collected over the years from most of the most talented and experienced doll makers in the world It is shared here with those interested in preserving this art approaching each aspect of the doll in the best way possible

Doll Sourcebook Argie Manolis,1996 A Complete directory of supplies and services for making selling and collecting dolls

Dolls , Art Making, Collections, and Obsessions Lynne Perrella,2010-04 Profiles the creative processes of thirty five artists who feel compelled to collect a wide variety of found objects which provide inspiration or are incorporated into their mixed media artworks

ABC's of Doll Mold Making Kamelia Kay Williamson,1979

Mixed-Media Doll Making Linda O'Brien,Opie O'Brien,2011-10-01 Inspired by the Dada notion of making art from materials that would not typically be combined or expected to go together and driven by a similar sense of irony and humor this exciting book by Linda and Opie O'Brien shares their unique approach to making mixed media dolls It is not only a must have volume for anyone interested in found object art and the human form it is a thoughtful and provocative exploration of the power symbolism and cultural significance of dolls and representational figures In Mixed Media Doll Making the authors share detailed techniques for using surface embellishments creating faces heads and limbs using molds and molding products and building and transforming disparate objects into whimsical inspiring dolls Starting with a variety of substrates including a wood block a canvas a tin can a book and a box construction readers are guided step by step through five types of doll constructions Inside you ll find Complete instructions for making a box construction doll a wood block substrate doll a two sided canvas frame doll a tin can doll and a book doll Numerous variations on each of the core projects for further experimentation An inspiring gallery of mixed media dolls from leading artists who discuss their methods and share their very personal answers to the question What is a doll
