

Visste du

Visste du
att jag väntade på dig
redan innan du gick?

Min väntan vilar i oåtkomlighet.
Min väntan längtar inte efter
uppfyllelse.
Den är en räddhågad väntan
en väntans sövda ångest
en kvinnoväntan
en väntan
för väntans skull

Did you know

Did you know
that I was waiting for you
even before you left?

My waiting consists in despair*.
My waiting does not long for
fulfilment.
It is a timid sort of waiting
dulled pain and anguish of waiting
a woman's waiting
a waiting
for waiting's sake

Modern Swedish Poetry In Translation

Gunnar Harding, Anselm Hollo

Modern Swedish Poetry In Translation:

Modern Swedish Poetry in Translation Gunnar Harding, Anselm Hollo, 1979 **Modern Poetry in Translation**, 1975

A Child Is Not a Knife Göran Sonnevi, 2023-06-06 Göran Sonnevi is one of Sweden's most celebrated respected and prolific poets. For this first book-length selection of Sonnevi to appear in English, Rika Lesser has chosen works written between 1971 and 1989, although most of the poems come from the last decade and from Sonnevi's last three books, which form part of the single, endlessly unending infinite interminable poem that he continues to write from book to book. Of Lesser's introduction to the work, Richard Howard writes: Lesser's wonderful prose texts at the outset provide not only an ingress into complex and baffling matter but one of the most determined statements of the translator's text since Walter Benjamin. From his 1982 book, *We are here in the ultimate lives of our bodies, negations of the ultimate negation. We are complete parts of the world. We rise up out of infinity like the limestone flats from the sea. Like the stars, we are denials of infinity. One day we shall reach all the way there.* The Palgrave Handbook of Literary Translation Jean Boase-Beier, Lina Fisher, Hiroko Furukawa, 2018-06-26 This Handbook offers a comprehensive and engaging overview of contemporary issues in Literary Translation research through in-depth investigations of actual case studies of particular works, authors, or translators. Leading researchers from across the globe discuss best practice problems and possibilities in the translation of poetry, novels, memoir, and theatre. Divided into three sections, these illuminating analyses also address broad themes including translation style, the author-translator-reader relationship, and relationships between national identity and literary translation. The case studies are drawn from languages and language varieties such as Catalan, Chinese, Dutch, English, French, German, Hebrew, Italian, Japanese, Nigerian English, Russian, Spanish, Scottish English, and Turkish. The editors provide thorough introductory and concluding chapters which highlight the value of case study research and explore in detail the importance of the theory-practice link. Covering a wide range of topics, perspectives, methods, languages, and geographies, this handbook will provide a valuable resource for researchers not only in Translation Studies but also in the related fields of Linguistics, Languages, and Cultural Studies, Stylistics, Comparative Literature, or Literary Studies. **Columbia Dictionary of Modern European Literature** Jean Albert Bédé, William Benbow, Edgerton, 1980. With more than 1800 critical entries on the writers and literatures of 33 languages, this work presents the entire range of modern European writing from the symbolist and modernist works rooted in the last decades of the nineteenth century through the avant-garde and existentialist movement to Barthes, Blanchot, Breton, and continental thought pertinent today. Books on Sweden in English Susan Larson-Fleming, Lena Daun, Marna Feldt, 1983 **The Incorporative Consciousness of Robert Bly** Victoria Frenkel Harris, 1992. Victoria Frenkel Harris traces the aesthetic journey of poet Robert Bly from his early structured works of mystical imagery and lyrical landscapes to his recent explorations of intimate relationships and male socialization. Examining the various ways Bly's prose poems articulate his opposition to the Vietnam War and his recent writings, manipulate more

formal patterns in detailing the intricacies of human relationships Harris labels this evolution in form subject and imagery the incorporative consciousness incorporative because it assimilates Jungian psychological categories international poetic traditions and a compelling breadth of topics Harris relies in part on contemporary feminist theory to throw revealing new light on Bly's recent works Though sympathetic to Bly Harris finds that in spite of his affirmation of the interaction of psychic creative and intellectual energies in both sexes the poet's later erotic poems tend to objectify women in counterproductive ways Bly's idealization of woman as a Jungian universal Harris contends can blind him toward actual women Harris is at her best as she delimits with balance and precision the full complexity of the poet's work
