Moment Of Christ:

Moment of Christ John Main, 2013-09-19 Turns to the source and focus of all the author's inspirational teaching about prayer the presence of Christ He describes this prayer as the stream of love that flows constantly between Jesus and his Father

Moment of Christ John Main, 1998-01-08 Learning to meditate is the most practical thing in the world You require only one quality when you begin That is seriously to want to learn to meditate The central message of the New Testament is that there is really only one prayer and that this prayer is the prayer of Christ It is a prayer that continues in our heart day and night John Main describes this prayer as the stream of love that flows constantly between Jesus and his Father This stream of love is the Holy Spirit It is John Main's conviction that it is the most important task for any fully human life that we should become as open as possible to this stream of love In order for us to do this we must learn a way that is a way of silence of stillness and this by a discipline that is most demanding John Main talks about the many aspects of silent prayer the way of the mantra leaving distraction behind fullness of life in love and silence A striking feature of the book is its emphasis on simplicity on transcending self consciousness and moving beyond techniques of prayer

Moment Of Christ John Main, Moments with the Savior Ken Gire, 1998 This compilation of Ken's best selling Moments with the Savior books contains all the devotions from the four previous books as well as many new devotions all in one deluxe hardcover volume

The Greatest Moments in the Life of Christ Max Lucado, 1998 Simple moments Quiet moments Moments missed by many but created by God forever punctuating the timeline of history These are The Greatest Moments when God put on humanity not only to save us from our sins but to experience life as we do with all its laughter and tears

The End of Medicine Kaare Bursell, 2009-01-29 At the tender age of 15 the author set out to discover the answers to two questions What is disease and What does disease signify His quest began in 1966 when he enrolled in the School of Veterinary Medicine and Science at the University of Liverpool After 5 years of study he then worked as a Veterinary Clinician and Surgeon in large animal practice for 8 years This experience did not answer the questions In 1975 he began living thinking and eating according to macrobiotic principles and philosophy and as he did the answers to these questions began to become clearer In 1982 he discovered the work of Rudolf Steiner and as he began to study his lecture cycles and books the answers became revealed The End of Medicine is the result of over 40 years of study experience and learning working with thousands of sick individuals from all walks of life The contents of the book describe how and why illnesses develop what illness signifies and makes a distinction between illness disease and health The crucial significance of the digestive processes of assimilation and elimination in the onset of illnesses and recovery of health are described in detail The book thus fulfils the indication given by Rudolf Steiner in a lecture given in 1923 where he says a modern system of medicine must always take the metabolic system that is to say the normal processes of digestion as its point of departure and starting from there it must deduce how internal illnesses in the widest possible sense can arise from the metabolism In addition the book contains instruction on how to do

self diagnosis and then gives the reader speaking imaginatively a pair of new legs a compass and a map The reader who is sufficiently inspired can then learn to use the new pair of legs comprising a change to a macrobiotic way of eating and doing the ginger compress regimen described learning how to use the compass yin and yang theory and use the map contained in the latter chapters to explore the new territory which opens up before us as we do so **The Treasury**, 1893 **Come What May** Nancy Lea Williams, 2023-07-03 Nancy's stories were born from her prayer journals often her cry for help and healing knowing Scripture was her only anchor A pure honest collection full of hope Nancy's encouraging words and scripture references will leap from these pages and into your heart Life is uncertain and it is guaranteed too NOT be easy Determined to never give up Nancy shares what it means to be kept in the Love of Jesus and sustained by His Word Precious memories line these pages expressing a fierce unstoppable love and the impact each person contributed to Nancy's life and to the Work Jesus had begun in her Nancy's Aunt Donna and Uncle CA Wilson who love to hear her stories made her promise to share them with others It was her Aunt Donna that said Oh Nancy Sweetie your stories help me and your uncle and they will help others too You must have them published and be an encouragement to others We all need an Aunt Donna to take us out of our comfort zone and to trust the Lord We thank Aunt Donna that we can open these pages and see how the loving kindness of Jesus spills out as Nancy shares from her heart Oh the Peace He gives as we choose to trust and obey Him Come What May all honor and glory belong to Him Saved by Works...Christ's Works! James Prest, 2010 In the cover of night Nicodemus came to Jesus to learn more about His teachings It was during this meeting that Jesus told him how to enter the kingdom of God except a man be born again John 3:3 Nicodemus was not the first or last man to ask this question In Acts 16 the jailer asked Paul and Silas What must I do to be saved And they said Believe on the Lord Jesus Christ and thou shalt be saved verses 30-31 Saved by Works Christ's Works focuses on what it means to depend entirely upon God for absolutely everything from our salvation to our every day needs The author James Prest presents thought provoking quotes from the Bible and a variety of religious books in an effort to point readers to the only One who can save us Jesus Christ He asserts that faith and salvation are simple subjects which we often complicate with our own ideas doctrines and life experiences Deepen your relationship with Jesus strengthen your faith and learn how to let Christ work through you and in you for His glory by digging deeper into the Word of God and reading Saved by Works Christ's Works *From the Cradle to the Cross* George H. Brooks, 2021-05-19 In George's book From the Cradle to the Cross A 365 Day Morning Prayer Devotional one will find God speaking to the reader through Scripture and the reader speaking to God through personal prayer The prayers are filled with Praising the Lord for who He is and what He has done and is doing even now in the servant's life It includes prayer for Protection as God is a Providential Care Giver It provides prayers for Guidance of the Holy Spirit in our daily life and for the Power and Strength to live a life that would glorify God daily As I read George's book I first read a Scripture passage the Word of God But when I read the prayer that followed I soon realized that I was reading the words penned from a servant's

heart to his Lord Jesus Christ Through our volunteer program at our jail George was able to touch many inmates lives with the love of Christ But make no mistake his book is meant for each of us not just for those who are incarcerated For we are all children of God in need of His love and grace George s devotional is his personal testimony and his desire to touch others for Christ May you be blessed as you read these daily prayers Pastor Mark A Fidler Senior Chaplain Hamilton County Sheriff s Office Noblesville Indiana 46060 Plymouth Pulpit ,1869 Collected Writings by John Nelson Darby Volume Five John Nelson Darby,2015-01-07 Contains Seven Lectures on the Prophetical Addresses to the Seven Churches Notes on the Apocalypse gleaned at lectures in Geneva 1842 Substance of a lecture on Prophecy Studies on the Book of Daniel Remarks on a Part of Daniel Enquiry as to the Antichrist of Prophecy Signs of Antichrist Questions of Interest as to Prophecy Outline of the Revelation Remarks on the Seven Churches The Principles displayed in the Ways of God compared with His Ultimate Dealings *Reading Images from the Past* Walter S. An investigation of the atonement and of eternal judgment* Charles BEECHER,1864 **The Humility and Glory of the Lamb** Jeffrey R. Dickson,2018-09-13 Although the Apostle John endorses Lamb twenty nine times in his Apocalypse and employs a term that is used only one other time in the New Testament to this end this unique title and its sophisticated christological implications has only received cursory attention both historically and more recently Even then incomplete monochromatic interpretations of the unique verbiage John employs to describe Christ are reached After identifying this clearing that exists in the christological forest this book reaches a robust understanding of Revelation s Lamb by means of a contextual grammatical canonical historical hermeneutic Ultimately this monograph concludes that the apostle s use of Lamb throughout his Apocalypse promotes a multifaceted christological presentation of John s protagonist that is dependent on the paradoxical theme of glory in humility a theme that is introduced when the Lamb first emerges in Revelation 5 and is then reiterated every time the title is used

thereafter In so doing this work offers students and scholars alike a better understanding of who is coming in the end and what this means for the church at present **The Same God Who Works All Things** Adonis Vidu,2021-03-04 Classical Trinitarianism holds that every action of Trinity in the world is inseparable That is the divine persons are equally active in every operation But then in what way did the Father create the world through Christ How can only the Son be incarnate die and be resurrected Why does Christ have to ascend before the Spirit may come These and many other questions pose serious objections to the doctrine of inseparable operations In the first book length treatment of this doctrine Adonis Vidu takes up these questions and offers a conceptual and dogmatic analysis of this essential axiom engaging with recent and historical objections Taking aim at a common soft interpretation of the inseparability rule according to which the divine persons merely cooperate and work in concert with one another Vidu argues for the retrieval of hard inseparability which emphasizes the unity of divine action primarily drawing from the patristic and medieval traditions Having probed the biblical foundations of the rule and recounted the story of its emergence in nascent Trinitarianism and its neglect in modern theology Vidu builds a constructive case for its retrieval The rule is then tested precisely on the battlegrounds that were thought to have witnessed its defeat the doctrines of creation incarnation atonement ascension and the indwelling of the Spirit What emerges is a constructive account of theology in which the recovery of this dogmatic rule shines fresh light on ancient doctrines

Redeemer and Redeemed Charles Beecher,1864 The Spiritual Wisdom and Practices of Early Christianity Alphonse and Rachel Goettmann,2010-06-15 In this book we will consider the fundamental practices of the Christian experience They are backed by two thousand years of history and a sea of witnesses who down through the ages have journeyed on this path that has led them to the summits of wisdom and holiness The difficulty in the presentation of these methods is their inevitable and artificial juxtaposition when they only find their internal and organic coherence in the living Tradition They are all held together as in a living organism each element comes at a particular stage in a life that gravitates around its axis the Christ That is why we will use a method which will make it possible for the reader not to remain on the exterior as a spectator the repetition of key ideas This is a teaching in the form of a spiral an eating of the word where as in liturgical chants and the experiential method of Scripture we become that which we eat continually we are what we have just read rather than merely knowing it Each chapter is a new approach to the unique Reality Rather than addressing the intellect it speaks to the heart **The anxious Enquirer after Salvation directed and encouraged. Second edition** John Angell James,1835 In My Own Way Alan Watts,2007 Originally published Pantheon Books 1972
