Mr Moody And The Evangelical Tradition:

Mr. Moody and the Evangelical Tradition Timothy George, 2004-06-14 Dwight L Moody Mr Moody was a hugely important Evangelical of international significance His influence on modern evangelicalism and the interest in him remain as strong today as in his own lifetime This book provides a rounded assessment of Moody s life and legacy his theology preaching revivalist strategy church music innovation and global missionary work While Moody has been the subject of many popular biographies this is the first book to bring together international experts in all of Moody s many fields of activity and to provide a thoroughgoing evaluation of his life and achievements It will establish Moody s historical importance and enduring legacy as a principal icon of the modern Evangelical movement *Schleiermacher and Palmer* Justin A. Davis, 2019-09-11

Twenty first century Protestantism is radically different from the Protestantism of the Reformation The challenges of modernity affected all aspects of Christianity and the more successful attempts to combat these challenges came about as a result of two rather different yet similar theologians in the nineteenth century This work provides an exhaustive look at Friedrich Schleiermacher the father of modern liberal Protestantism and Phoebe Palmer the mother of the Holiness movement The trend of liberalism is to strip away all but what is essential to Christian life while the Holiness movement sought to make all of life applicable to the Bible and God While these two movements may appear contradictory they are grounded in a shared source of experiential Protestantism commonly known as Pietism and develop their theological systems from this starting point This study includes not only their theologies but also biographies that introduce the reader to these two luminaries Liberalism and holiness as created by Schleiermacher and Palmer lay the foundation for Pentecostalism fundamentalism neo orthodoxy and the interdenominational movements of the nineteenth century Only from this vantage can we understand the modern Protestant mindset **Dance or Die** Toivo Pilli, 2009-04-01 This book focuses on the changes in the identity of Estonian Evangelical Christian Baptists ECB during the Soviet years 1945 1991 The author analyzed the influences that affected the life and self understanding of the ECB churches in this most northernmost of the three Baltic countries External pressures from the Soviet atheistic state and the internal dynamics of Estonian ECB churches are both considered and analyzed Comparisons are drawn which show both the similarities with the wider Evangelical world and uniqueness of a local Baptist identity The book based on extensive use of archive and other primary source materials makes an especial contribution to the important emerging field of the study of Evangelicals in Eastern Europe Apocalyptic Fever Richard G. Kyle, 2012-08-01 How will the world end Doomsday ideas in Western history have been both persistent and adaptable peaking at various times including in modern America Public opinion polls indicate that a substantial number of Americans look for the return of Christ or some catastrophic event The views expressed in these polls have been reinforced by the market process Whether through purchasing paperbacks or watching television programs millions of Americans have expressed an interest in end time events Americans have a tremendous appetite for prophecy more than nearly any other

people in the modern world Why do Americans love doomsday In *Apocalyptic Fever* Richard Kyle attempts to answer this question showing how dispensational premillennialism has been the driving force behind doomsday ideas Yet while several chapters are devoted to this topic this book covers much more It surveys end time views in modern America from a wide range of perspectives dispensationalism Catholicism science fringe religions the occult fiction the year 2000 Islam politics the Mayan calendar and more

A Call to Resurgence Mark Driscoll,2013-11-05 It s tempting to believe that the Christian faith is alive and well in our country today Our politicians talk about God Our mega churches are filled Christian schools dot our landscape Brace yourself It s an illusion Believe it or not only 8 percent of Americans profess and practice true evangelical Christian faith There are more left handed people than evangelical Christians in America In this book Mark Driscoll delivers a wake up call for every believer We are living in a post Christian culture a culture fundamentally at odds with faith in Jesus This is good and bad news The good news is that God is still working redeeming people from this spiritual wasteland and inspiring a resurgence of faithful believers The bad news is that many believers just don t get it They continue to gather exclusively into insular tribes lobbing e bombs at each other in cyberspace Mark s book is a clarion call for Christians It s time to get to work We can only do this if we unite around Jesus and the essentials found in his Word while at the same time appreciating the distinctives within each Christian tribe Mark shows us how to do just that This isn t the time to wait or debate Join the resurgence
