Mr Bluenose:

The Lobsterman and the UFO Neal Parker, 2014-07-17 Ralf Winslow lobsterman was a man of few words and lately what he did have to say wasn't particularly nice Fishing and life in general had not been going well for Ralf Then one quiet morning the lone lobsterman was startled by a mystifying streak of light swooping across the dawn sky The fiery white band closed with the surface of the water tearing along the line of Ralf's traps and buoys Before he could appreciate what was taking place a steaming saucer the size of a merry go round and just as colorful came to rest not twenty from his lobsterboat the beloved Betsy Ann Jolene From that moment on Ralf and the universe were changed forever Crotchet Castle Thomas Love Peacock, 2025-08-22 Reproduction of the original The Antigonos publishing house specialises in the publication of reprints of historical books We make sure that these works are made available to the public in good condition in order to preserve their cultural heritage *Crotchet Castle & Gryll Grange* Thomas Love Peacock, 2025-10-23 Two sparkling social satires on progress tradition and the absurdities of intellectual fashion A master of comic wit and biting satire Thomas Love Peacock turns his sharp eye to the ideological battles of 19th century Britain in *Crotchet Castle* and *Gryll Grange* his final two novels Blending humour erudition and playful irreverence these brilliant comedies explore the follies of intellectual fashion the tension between modernity and tradition and the eternal question of what makes a life truly worth living In *Crotchet Castle* 1831 an eccentric country house becomes the stage for an animated clash of ideas as economists reformers medievalists and scientists debate the future of society With a cast of unforgettable characters including pompous political theorists utopian dreamers and champions of outdated aristocratic values Peacock offers a hilarious yet insightful critique of grandiose ideologies and social dogma In *Gryll Grange* 1860 Peacock's final novel the satire is softened with a charming reflection on love leisure and the simple pleasures of life The cultured and independent minded Mr Falconer weary of modernity's relentless pace chooses a life of quiet retreat until romance and a new generation of reformers challenge his convictions With its elegant prose sparkling dialogues and a subtle undercurrent of nostalgia *Gryll Grange* is Peacock's most philosophical and reflective work Perfect for fans of Jane Austen's comedy of manners Oscar Wilde's razor sharp wit and the intellectual playfulness of Laurence Sterne *Crotchet Castle* *Gryll Grange* showcases Peacock at his most incisive entertaining and relevant This P Wave Classics edition brings these two novels together in a single volume making them available to a new generation of readers who delight in satire conversation and the pleasures of the mind With an introduction and notes by L A DAVENPORT **The world of wit and humour, ed. by G.M. Fenn** George Manville Fenn, 1899 **The world of wit and humour, ed. by G.M. Fenn** World, 1895 Militia Myths James Wood, 2010-04-20 The citizen soldier is a central figure in Canada's social memory of the First World War But is the ideal of being a citizen first and a soldier only by necessity an unchanging feature of the Canadian identity This compelling history traces the evolution of the Canadian amateur military tradition in the turbulent years from 1896 to 1921 Before the Great War Canada's military culture was in transition as

Canada navigated an uncertain relationship with the United States and fought an imperial war in South Africa Gradually the untrained civilian replaced the long serving volunteer militiaman as the archetypal amateur soldier setting the country down a path leading directly to the battlefields of Flanders and northern France Militia Myths reveals the history of a military culture that consistently employed the citizen soldier as its foremost symbol but was otherwise in a state of profound change

The Athenæum ,1843 *Crotchet Castle* Peacock T.L., Thomas Love Peacock was an English novelist poet and official of the East India Company In *Crotchet Castle* the author assembles a group of eccentrics each with a single monomaniacal obsession and derives humour and social satire from their various interactions and conversations Maid Marian, and
