Leon Garfield

Mr Corbetts Ghost And Other Stories:

Mr Corbett's Ghost Leon Garfield, 2013-05-31 Mr Corbett is a cruel employer and his young apprentice Benjamin can't help but wish he were dead. So when a strange old man offers to make this wish come true, Benjamin finds it impossible to refuse. Sure enough, Mr Corbett meets an untimely death, but the tables turn on the terrified apprentice who finds himself cursed with the ghost of the man he hated most in the world. A brilliant collection of three short stories from a master storyteller who will keep you turning the pages until the very end.

Mr. Corbett's Ghost and Other Stories Leon Garfield, 1976

The Encyclopedia of Fantasy John Clute, John Grant, 1999-03-15 Like its companion volume *The Encyclopedia of Science Fiction*, this massive reference of 4,000 entries covers all aspects of fantasy from literature to art.

Science Fiction and Fantasy Literature R. Reginald, Douglas Menville, Mary A. Burgess, 2010-09-01 *Science Fiction and Fantasy Literature: A Checklist 1700-1974*, Volume one of Two, contains an Author Index, Title Index, Series Index, Awards Index, and the Ace and Belmont Doubles Index.

Children's Fiction Sourcebook Margaret Hobson, Jennifer Madden, Ray Prytherch, 2018-12-17 First published in 1992, this Sourcebook is a basic working tool for all those concerned with children's reading. It will help librarians and teachers to select a comprehensive stock of children's fiction for their institutions. The authors in the sourcebook have been selected on the grounds of importance, popularity, and current availability. Author entries are arranged in alphabetical order, and indexes provided by title, series, age range, and genre. Each entry consists of some background information and evaluative comment on style of the book, a list of the author's books with publisher, date, and price, and literary agent where applicable. There is a suggestion of similar authors, sequels, related series, and reader age range.

The A to Z of Fantasy Literature Brian Stableford, 2009-08-13 Once upon a time, all literature was fantasy, set in a mythical past when magic existed, animals talked, and the gods took an active hand in earthly affairs. As the mythical past was displaced in Western estimation by the historical past, and novelists became increasingly preoccupied with the present, fantasy was temporarily marginalized until the late 20th century when it enjoyed a spectacular resurgence in every stratum of the literary marketplace. Stableford provides an invaluable guide to this sequence of events and to the current state of the field. The chronology tracks the evolution of fantasy from the origins of literature to the 21st century. The introduction explains the nature of the impulses creating and shaping fantasy literature, the problems of its definition, and the reasons for its changing historical fortunes. The dictionary includes cross-referenced entries on more than 700 authors ranging across the entire historical spectrum, while more than 200 other entries describe the fantasy subgenres, key images in fantasy literature, technical terms used in fantasy criticism, and the intimately convoluted relationship between literary fantasies, scholarly fantasies, and lifestyle fantasies. The book concludes with an extensive bibliography that ranges from general textbooks and specialized accounts of the history and scholarship of fantasy literature through bibliographies and accounts of the fantasy literature of different nations to individual author

studies and useful websites **The Drummer Boy** Leon Garfield, 2015-07-02 As far as the eye can see scarlet men are marching A rich and splendid company but none more so than the drummer boy But a moment later the sound of Charlie Samson's drum was swallowed in a wild thunder The glorious scarlet troops had been ambushed Men were dead and dying all around and all the beauty was gone All that was left was himself and his drum and a few shady nightwalkers cowards who came crawling from the ditches and knaves who scoured the dead for wealth **Serialization, Commercialization and the Children's Classics** Amy Webster, 2024-12-12 An exploration of the serialization of children's classics by contemporary publishers this book digs into the impact of the practice and provides new ways of reading the corpus of British children's literature from the 20th century Amy Webster demonstrates how publishers select texts for their series which texts they omit which outliers are sometimes included and how a core group of works from the golden age of children's literature emerged The text also examines how texts are abridged and transformed from publisher to publisher through close readings of *The Wind in the Willows* and *Alice's Adventures in Wonderland* and how the repackaging of works within a series highlight issues and choices tied to key paratextual elements Analysing data through distant reading and close reading of series from Ladybird Longman Puffin and Walker Illustrated editions this book sheds light on how modern classics series are marked by variation and instability but also a reductive homogeneity Through her use of quantitative and text focused research Webster reveals how commercial motivations have created a gulf between the canonical concepts of the classic and how the term functions as a marketing tool in British children's publishing With notions of what counts as a classic compromised and complicated this book leads the call for a critical approach towards both the term classic and to reading children's classics that acknowledges how they are tied to the commercial enterprises of the children's book business **Elizabethan** , 1968

Mr Corbetts Ghost And Other Stories Book Review: Unveiling the Power of Words

In a world driven by information and connectivity, the ability of words has become more evident than ever. They have the capability to inspire, provoke, and ignite change. Such is the essence of the book **Mr Corbetts Ghost And Other Stories**, a literary masterpiece that delves deep to the significance of words and their impact on our lives. Published by a renowned author, this captivating work takes readers on a transformative journey, unraveling the secrets and potential behind every word. In this review, we shall explore the book's key themes, examine its writing style, and analyze its overall effect on readers.
