Herra Hár Guðni Kolbeinsson,Roger Hargreaves,2007-06 **Mr. Tall** Tony Earley,2014-08-26 In Mr Tall his first story collection in two decades Tony Earley brings us seven rueful bittersweet riotous studies of characters both ordinary and mythical seeking to make sense of the world transforming around them He demonstrates once again the prodigious storytelling gifts that have made him one of the most accomplished writers of his generation In the title story a lonely young bride terrifyingly shares a remote mountain valley with a larger than life neighbor while the grieving widow of The Cryptozoologist is sure she s been visited by a Southern variant of Bigfoot Have You Seen the Stolen Girl introduces us to the ghost of Jesse James who plagues an elderly woman in the wake of a neighborhood girl s abduction In Haunted Castles of the Barrier Islands a newly empty nest couple stumbles through an impenetrable Outer Banks fog seeking a new life to replace the one they have lost while Yard Art follows the estranged wife of a famous country singer as she searches for an undiscovered statue by an enigmatic artist In the concluding novella Jack and the Mad Dog we find Jack the giant killer of the stories in full flight from threats both canine and existential Earley indelibly maps previously undiscovered territories of the human heart in these melancholy comic and occasionally strange stories Along the way he leads us on a journey from contemporary Nashville to a fantastical land of talking dogs and flying trees teaching us at every step that even in the most familiar locales the ordinary is never just that **Native American Cultural Preservation Act** United States.
