Mudie's Circulating Library The Victorians:

Mudie's Circulating Library and the Victorian Novel Guinevere L. Griest, 1970 From 1842 when Charles Edward Mudie started lending books at his shop in Bloomsbury until 1894 when the Library Establishment destroyed the three-decker fiction maintained a recognized supremacy in the English world of letters Between 1845 and 1870 when the potential earning power of the novel developed enormously when literary critics saw the novel as the nineteenth-century replacement for the epic and even the drama when interest in fiction was sharpened by careful and copious criticism when the novelist was demanding the right to be judged as a serious critic of life Mudie's contributed essential elements by providing a central distributing agency and by the development of a cohesive body of readers The circulating library had a significant influence on the Victorian literary milieu and by championing the three-decker on the construction of novels themselves For the student of the Victorian era the institution that was Mudie's left a lasting imprint on authors publishers and the reading public which this volume explores within the context of Victorian literary tastes and values **Catalogue of the Principal Books in Circulation at Mudie's Select Library, October, 1875** Mudie's Library Ltd, 1875 The London Review of Politics, Society, Literature, Art, & Science, 1863 "The" Athenaeum, 1851 The Haunted Study P. J.

Keating, 2012-10-04 The Haunted Study a rare example of a work of literary history that is genuinely interdisciplinary explores how the leading novelists of the late Victorian and Edwardian periods came to develop so many of the attitudes that are now generally accepted as characteristically modern The writing of fiction is not treated as though it exists in some kind of isolation but is shown to be intimately related to other forms of social activity Conrad James Meredith and their immediate modernist successors Joyce Lawrence and Woolf may now seem to be set apart in a variety of crucial ways from say Ouida and Marie Corelli or even Gissing Wells and Bennett but all of them worked within the same rapidly changing society and were unavoidably influenced by its dominant economic political and cultural concerns These influences were not peripheral but central and formative They profoundly affected the creation of a commercially fragmented culture as well as the nature of fiction within that culture The Haunted Study covers an exceptionally large number of authors from the critically despised to the critically admired and examines the impact on their work of such factors as the professionalisation of literature the earning power of authors the emergence of new kinds of readers and disturbingly present throughout the whole period fundamental democratic change Lives of Victorian Literary Figures, Part V, Volume 1 Ralph Pite, William Baker, Judith L Fisher, Andrew Gasson, Andrew Maunday, 2024-05-31 Considers the reputations and biographical portrayal of three innovative and controversial writers Mary Elizabeth Braddon Wilkie Collins and William Thackeray These anthologies of contemporary biographical material shed light on the processes at work in the establishment of a public image and a critical reputation

The Selected Works of Margaret Oliphant, Part I Volume 1 Joanne Shattock, 2024-05-31 Margaret Oliphant 1828-97 had a prolific literary career that spanned almost fifty years She wrote some 98 novels fifty or more short stories twenty-five

works of non fiction including biographies and historic guides to European cities and more than three hundred periodical articles This is the most ambitious critical edition of her work **Literary Research and the Victorian and Edwardian Ages, 1830-1910** Melissa S. Van Vuuren, 2010-11-19 The diverse literatures of Victorian and Edwardian Britain have provided a wealth of research materials for novice and expert researchers alike Although the body of scholarship for the Edwardian Age is smaller than that of the Victorian researchers should have no shortage of resources for learning more about the literatures of either time period While many of the novels plays poetry and prose from the Victorian and Edwardian Ages are still readily available in print a vast amount of literature has long since fallen out of print Recent efforts in digitization the Victorian Women Writers Project English Literary Periodicals 1681 1914 Early British Periodicals 1681 1921 19th Century British Library Newspapers 19th Century U K Periodicals Times Digital Archives Victorian Popular Culture and even Google Books have helped to make many texts more widely accessible Literary Research and the Victorian and Edwardian Ages 1830 1910 discusses traditional and new resources for researching this period of British literature and the ways in which those resources can be used in conjunction with one another By helping readers navigate the resources and issues particular to these literatures this book will serve as an essential guide to researching the literatures of the Victorian and Edwardian Ages Saturday Review of Politics, Literature, Science and Art ,1864 **The Saturday Review of Politics, Literature, Science and Art** ,1862
