Dorothy L Sayers and Margery Allingham but also those who have received comparatively little such as Christianna Brand Ngaio Marsh Gladys Mitchell Josephine Tey and Patricia Wentworth Through its original readings this book explores the ambivalent nature of modes of femininity depicted in golden age crime fiction and shows that seemingly conservative resolutions are often attempts to provide a modern yet safe solution to the conflicts raised in the texts The Cracked Mirror Chris Brookmyre, 2024-07-18 Winner of the McIlvanney Prize for Best Scottish Crime Book of the Year FORGET WHAT YOU THINK YOU KNOW THIS IS NOT THAT CRIME NOVEL You know Penny Coyne The little old lady who has solved multiple murders in her otherwise sleepy village despite bumbling local police A razor sharp mind in a twinset and tweed You know Johnny Hawke Hard bitten LAPD homicide detective Always in trouble with his captain always losing partners but always battling for the truth whatever it takes Against all the odds against the usual story their worlds are about to collide It starts with a dead writer and a mysterious wedding invitation It will end with a rabbit hole that goes so deep Johnny and Penny might come to question not just whodunnit but whether they want to know the answer A cross genre hybrid of Agatha Christie and Michael Connelly The Cracked Mirror is the most imaginative and entertaining crime novel of the year a genre splicing rollercoaster with a poignantly emotional heart Scenes from the Song of Hiawatha: The death of Minnehaha Samuel Coleridge-Taylor, 1899 Ngaio Marsh Bruce Harding, 2019-06-26 Considered one of the Queens of Crime along with such greats as Agatha Christie Dorothy Sayers and Margery Allingham Ngaio Marsh 1895 1982 was a gifted writer and a celebrated author of classic British detective fiction as well as a successful theater director Best known for the 32 detective novels she published between 1934 and 1982 she was appointed a Dame Commander of the British Empire DBE in 1966 Based on years of original research by the curator of the Ngaio Marsh House in Christchurch New Zealand this book explores the fascinating literary world of Dame Ngaio *Fantasies of Time and Death* Anna Vaninskaya, 2019-12-26 This book reveals the unique contribution made by the three founding fathers of British fantasy Lord Dunsany E R Eddison and J R R Tolkien to our culture s perennial reassessment of the meanings of time death and eternity It traces the poetic philosophical and theological roots of the striking preoccupation with mortality and temporality that defines the imagined worlds of early fantasy fiction and gives both the form of such fiction and its ideas the attention they deserve Dunsany Eddison and Tolkien raise some of the oldest questions in existence about the limits of nature human and divine cosmic creation and destruction the immortality conferred by art and memory and the paradoxes and uncertainties generated by the universal experience of transience the fear of annihilation and the desire for transcendence But they respond to those questions by means of thought experiments that have no precedent in modern literary history This book has won the 2021 Mythopoeic Scholarship Award for Myth and Fantasy Studies **Music and Death** Peter Edwards, 2023 Music gives specific meanings to our lives but also to how we experience death it forms a central part of death rituals consoles survivors and celebrates the deceased Music Death investigates different musical engagements with death Its eleven essays examine a broad range of genres styles and

periods of Western music from the Middle Ages until the present day This volume brings a variety of methodological approaches to bear on a broad but non exhaustive range of music These include musical rituals and intercessions on behalf of the departed Chapters also focus on musicians reactions to death their ways of engaging with grief anger and acceptance and the public s reaction to the death of musicians The genres covered include requiem settings operas and ballets arts songs songs by Leonard Cohen and the B 52s and instrumental music There are also broader reflections regarding the psychological links between creative musical practice and the overcoming of grief music s central role in shaping a specific lifestyle of psychobillies and the supposed universalism of Western art music as exemplified by Brahms The volume adds many new facets to the area of death studies highlighting different aspects of musical thanatology It will appeal to those interested in the intersections between western music and theology as well as scholars of anthropology and cultural studies

Ibbs and Tillett Christopher Fifield,2017-11-22 For the greater part of the twentieth century Ibbs and Tillett s concert agency was to the British music industry what Marks and Spencer is to the world of the department store The roll call of famous musicians on its books was unmatched and included such international stars as Clara Butt Fritz Kreisler Pablo Casals Sergei Rachmaninov Andr Segovia Kathleen Ferrier Myra Hess Jacqueline du Pr Clifford Curzon and Vladimir Ashkenazy to name but a handful From 1906 the success of the company was due to the dedication of its founders Robert Leigh Ibbs and John Tillett After their deaths the agency was run by the latter s wife Emmie who dubbed the Duchess of Wigmore Street became one of the most formidable yet respected women in British music The history of this unique institution and its owners is told here for the first time often through the fascinating letters that were exchanged between the artists themselves and the agency It begins in the latter years of the 19th century with the concert and theatrical manager Narciso Vert for whom both Ibbs and Tillett worked until his death in 1905 The story then becomes a history of musical life in twentieth century Britain illuminating aspects of the day to day management of concerts and festivals the lives and livelihoods of professional musicians as well as those who strove to join their ranks through audition or recommendation The changing profile and particularly the onset and development of personal management of artists

represented by Ibbs and Tillett and their reception in the press can be viewed as a barometer of musical taste The demise of the agency in 1990 was indicative of just how much the world of British music had changed by the end of the century but despite its loss to the profession the legacy and influence of Ibbs and Tillett has remained a benchmark in today s highly competitive world of artist management and concert promotion many of whose principal operators began The History of England from the Revolution to the Death of George the Second Tobias Smollett,1785 **Mozart's Death** William Stafford,1991-10-23 There is a macabre fascination in the spectacle of one so brilliant dying so young in such tragic circumstances Was Mozart poisoned Was he irresponsible and childish dying from debauchery and dissipation Did his wife contribute to his downfall Was he driven to destruction by being ostracised as a rebel Did his genius render him incapable of normal human contact and worldly prudence Did he die because he had accomplished his mission as an artist and burnt himself out Was he the victim of a run of bad luck From 1791 to the present such stories have flourished this book examines their development and the evidence for them
