Oxford Of Canadian Political Anecdotes:

The Oxford Book of Canadian Political Anecdotes Jack McLeod, Cynthia M. Smith, 1988 Funny touching ironic and sometimes alarming this lively volume draws on a wealth of sources including a number of previously unpublished anecdotes to create a new image of Canadian politics A collection that stretches from the earliest records of New France to the latest backroom gossip on Parliament Hill it includes representations of politicians who reflect Canada's regional and multicultural diversity including Francophones and Anglophones prime ministers and back benchers practitioners and commentators historians and political journalists

The Spectator Book of Wit, Humour and Mischief Marcus Berkmann, 2016-08-25 Approaching its 200th birthday in the rudest of health the Spectator is known for the quality of its writing and the deep eccentricity of some of its writers Given the freedom to say what they want they take that freedom and more and the result is original provocative often very funny sometimes plain wrong From Jeffrey Bernard's reports from the Soho frontline and Auberon Waugh fulminating about hamburger gases in the early 1990s we encounter in turn the wild stream of consciousness of Deborah Ross's restaurant reviews the pinpoint etiquette advice of Mary Killen Rod Liddle's frothing but elegantly sculpted outrage and the magazine's secret weapon low life adventurer Jeremy Clarke This bumper selection which also includes eminent diarists mad letter writers and Boris Johnson amounts to a masterclass in comic writing lovingly compiled and edited by Marcus Berkmann who still can't believe he wrote a monthly pop column for the magazine for twenty eight years without being fired

Lord Gnome's Literary Companion Francis Wheen, 1994 His review has got to be in by mid day tomorrow at about 9 pm his mind will grow relatively clear and until the small hours he will sit skipping expertly through one book after another and laying each one down with the comment God what tripe Then suddenly he will snap into it All the stale old phrases a book that no one should miss something memorable on every page jump into their places like iron filings obeying the magnet Thus did George Orwell writing forty years ago in Confessions of a Book Reviewer describe the labours of a typical literary hack Precious little has changed over the intervening decades the servility of the satirical magazine Private Eye Lord Gnome's Literary Companion assembles in thematic order the best of these columns to present an astringent rude and funny survey of publishers and the published

books and poems dedicated to him **Whipped** Alex Marland, 2020-09-15 Canadians often see politicians as little more than trained seals who vote on command and repeat robotic talking points Politicians are torn by dilemmas of loyalty to party versus loyalty to voters Whipped examines the hidden ways that political parties exert control over elected members of Canadian legislatures Drawing on extensive interviews with politicians and staffers across the country award winning author Alex Marland explains why Members of Parliament and provincial legislators toe the party line and shows how party discipline has expanded into message discipline He recounts stories from Prime Minister Brian Mulroney's drive for caucus cohesion in the 1980s through to the turmoil that the SNC Lavalin crisis wrought on Justin Trudeau and the Liberal Party in 2019 From caucus meetings to vote instructions this book exposes how democracy works in our age of instant communication and political polarization Filled with political tips Whipped is a must read for anyone interested in the real world of Canadian politics **The Journal of Commonwealth Literature** , 1989 Issues for 1965 include section Annual bibliography of Commonwealth literature 1964

Saturday's Child Ellen Louks Fairclough, 1995-12-15 Ellen Fairclough is perhaps best known as the first woman in Canada to become a federal cabinet minister John Diefenbaker appointed her Secretary of State in 1957 In the course of her career she also served as Minister of Citizenship and Immigration and Minister responsible for Indian Affairs and was in charge of the National Gallery the National Film Board the Dominion Archives and the National Library She was also a chartered accountant a business woman a local politician in Hamilton and a wife and mother At a time when many people believed that a woman's place was in the home she successfully balanced family obligations with a career in the largely male world of federal politics Writing with the style and wit for which she was famous as a politician Ellen Fairclough now ninety tells her story Her reminiscences describe her early life her efforts to become a business woman and her experiences as a Progressive Conservative member for the constituency of Hamilton West 1950-63 Fairclough discusses the political factors that led to her appointment to the Diefenbaker cabinet as well as other factors including family values and the opportunities available in the bustling industrial city of Hamilton that served as the context for her successes While her story focuses on the politics involved Fairclough also writes extensively about family life friendships and domestic detail She attributes her success to the fact that she was a Saturday's child who worked hard for what she achieved The source of much media attention during her political career Ellen Fairclough was often the only woman in a room full of men and on one occasion was asked to leave a cabinet meeting because the topic of discussion sexual assault might be too rough for her sensitive ears Having no female role models to follow Fairclough made her own rules and charted her own course These memoirs make a fascinating contribution to the history of women and politics in this country
