RE. Zumwalt

Pathology Annual 1988:

Pathology Annual, 1988 Paul Peter Rosen,1988-01-01 Pathology Annual Sheldon C. Sommers,1988 A Review of Pathology Annual 1988, Part II KL. Sperry,1990 The editors of the long running Pathology Annual series once again have shown their interest in medicolegally oriented topics with several of the articles in Part 2 of Volume 23 the second issue for 1988 One of the distinct advantages of the Pathology Annual format is that authors are free to expand upon specific subjects to a length greater than is afforded in most periodically published medical journals allowing a much more comprehensive review The articles in this issue that are of interest to pathologists who practice forensic medicine either occasionally or full time are no exception A Review of Pathology Annual 1988 RE. Zumwalt,1989 This collection of eleven monographs on anatomic pathology topics should appeal to the surgical pathologist in a hospital practice The selected topics are timely and cover a wide range The individual articles are all well written thoroughly referenced and adequately illustrated The editors have done a commendable job in their selection of authors to present state of the art information and techniques on their subjects The general hospital pathologist should find his time well spent in reading this collection of review articles
