Paths Of Duty American Missionary Wives In Nineteenth Century Hawaii:

Paths of Duty Patricia Grimshaw, 2019-03-31 Twenty three year old Laura Fish Judd left rural Massachusetts in 1827 for the Hawaiian islands one of eighty young American women who enlisted in the effort to Christianize the islands between 1819 and 1850 Only a month before after receiving a marriage proposal from a young physician in need of a wife to qualify for mission service she had written in her diary The die is cast I have in the strength of the Lord consented Rebecca like I WILL GO yes I will leave friends native land everything for Jesus Laura Judd and other ambitious young women consented to hasty marriages with virtual strangers to achieve their goal of carrying Christ s message to the heathen As Patricia Grimshaw s compelling study makes clear these women were driven by a desire for important independent life work that went well beyond their expected roles as dutiful wives The ambitions hopes and fears of those eighty pioneer women make a poignant and fascinating story But Paths of Duty does more than recount the experiences of a group of individuals Grimshaw shows how the mission women reflected the larger society of which they were part and through their story shed new light on the role of American Protestant mission in Hawaii Although the women s public role in mission work was limited they were highly influential in their daily and seemingly mundane interactions with Hawaiian women The American women s ethnocentricity made them quite incapable of appreciating Hawaiian culture on its own terms but their notions of proper femininity and female behavior were effectively transmitted to Hawaiian girls and women Paths of Duty provides a deeper understanding of this neglected process of acculturation in the islands and its eventual implications for Hawaii s entry into the American sphere of influence

Paths of Duty Patricia Grimshaw, 1986 **Island Queens and Mission Wives** Jennifer Thigpen, 2014 Kamehameha s kingdom Soldiers and angels for God When worlds collide Gendered diplomacy Hawaiian heroines **The Norwegian-American Lutheran Experience in 1950s Japan** Kate Allen, John E. Ingulsrud, 2015-12-15 Stepping Up to the Cold War Challenge The Norwegian American Lutheran Experience in 1950s Japan describes the events that led to the Evangelical Lutheran Church ELC an American Christian denomination to respond to General MacArthur s call for missionaries This Church did not initially respond but did so in 1949 only after their missionaries had been expelled from China due to the victory of communist forces on the mainland Because they feared Japan would also succumb to communism in less than ten years the missionaries evaded ecumenical cooperation and social welfare projects to focus on evangelism and establishing congregations Many of the ELC missionaries were children and grandchildren of Norwegian immigrants who had settled as farmers on the North American Great Plains Based on interview transcripts and other primary sources this book intimately describes the personal struggles of individuals responding to the call to be a missionary adjusting to life in Japan learning Japanese raising a family and engaging in mission work As the Cold War threat diminished and independence movements elsewhere were ending colonialism missionaries were compelled to change methods and attitudes The 1950s was a time when missionaries went out much in the same manner that they did in the nineteenth century Through the voices of

the missionaries and their Japanese coworkers the book documents how many of the traditional missionary assumptions begin to be questioned

When Women Ruled the Pacific Joy Schulz, 2023-08 Throughout the nineteenth century British and American imperialists advanced into the Pacific with catastrophic effects for Polynesian peoples and cultures In both Tahiti and Hawai i women rulers attempted to mitigate the effects of these encounters utilizing their power amid the destabilizing influence of the English and Americans However as the century progressed foreign diseases devastated the Tahitian and Hawaiian populations and powerful European militaries jockeyed for more formal imperial control over Polynesian waystations causing Tahiti to cede rule to France in 1847 and Hawai i to relinquish power to the United States in 1893 In *When Women Ruled the Pacific* Joy Schulz highlights four Polynesian women rulers who held enormous domestic and foreign power and expertly governed their people amid shifting loyalties outright betrayals and the ascendancy of imperial racism Like their European counterparts these Polynesian rulers fought arguments of lineage as well as battles for territorial control yet the freedom of Polynesian women in general and women rulers in particular was unlike anything Europeans and Americans had ever seen Consequently white chroniclers of contact had difficulty explaining their encounters initially praising yet ultimately condemning Polynesian gender systems resulting in the loss of women s autonomy The queens successes have been lost in the archives as imperial histories and missionary accounts chose to tell different stories In this first book to consider queenship and women s political sovereignty in the Pacific Schulz recenters the lives of the women rulers in the history of nineteenth century international relations

Walter and Ingrid Trobisch and the Globalization of Modern, Christian Sexual Ethics Anneke H. Stasson, 2021-05-13 Walter and Ingrid Trobisch played a major role in shaping a transcultural conversation about love sex gender identity and marriage during the mid twentieth century The Trobisches are most well known for Walter s book *I Loved a Girl* 1962 which he wrote while teaching at Cameroon Christian College Within a decade one million copies of the book were in circulation it was translated into seventy languages and Trobisch had received ten thousand letters from African and American readers of the book asking for relational advice The Trobisches founded an international marriage counseling ministry to answer these letters While the Trobisches held paternalistic attitudes common among western missionaries of their generation their vision of sexuality helped Christians in Africa and the United States to navigate changing sexual norms of the mid twentieth century

Telling Tales Catherine A. Cavanaugh, Randi R.
