Patience Miracle In Progress:

A STROKE OF GENIUS Sandy Simon, 2014-05-28 This book's first edition was written after my six year odyssey following my stroke. The doctors said if I did not die I would be completely incapacitated physically, mentally, and emotionally. They said I had lost 45% of my brain and was declared 100% disabled for life. Somehow I found a way to healing and thriving as a human being. This extended second edition has added information on my eleven additional years of successful therapies which have helped me fulfill my life beyond my dreams. This edition includes my mentoring with other stroke survivors who have contacted me after they read the first edition. Tend the Eternal Orchard Mukesh Kumar, 2025-10-24 In *Tend the Eternal Orchard: Grow Patiently and Harvest Rewards Through Long Term Commitment*, author Mukesh Kumar invites readers to embrace the timeless wisdom of patience as the cornerstone of a fulfilling and purposeful life. Drawing on vivid metaphors of tending an orchard, Kumar illustrates how nurturing long-term goals, relationships, and personal growth requires consistent effort, resilience, and an unwavering belief in the process. Through insightful anecdotes, practical exercises, and profound reflections, the book guides readers to shift their mindset from immediate gratification to enduring fulfillment. Kumar emphasizes that patience is not passive waiting but an active practice of cultivating trust, perseverance, and mindfulness. He explores how patience can transform challenges into opportunities, strengthen emotional resilience, and deepen connections with oneself and others. Whether navigating career aspirations, personal development, or meaningful relationships, *Tend the Eternal Orchard* offers a roadmap for embracing the journey rather than fixating on the destination. With its blend of philosophical depth and actionable advice, this book serves as a gentle yet powerful reminder that the seeds of patience, when tended with care, yield a harvest of lasting rewards and inner peace.

An Everyday Miracle Jennifer Muszik, 2015-12-11 In February 2015, everything changed in an instant for Jennifer Muszik. One moment she had a healthy, loving husband who embraced his role as stay-at-home dad for their three children. The next moment she was dealing with a shocking reality: Paul was on life support, and the doctors did not think he would make it through the night. Much less the night, Jennifer soon learned Paul was suffering from toxic shock syndrome and hung precariously between life and death while she helplessly watched. As family arrived for what they believed would be their last moments together with Paul, Jennifer realized she had a choice to make: either focus on the dire prognosis or focus on God and pray for Him to heal her husband. Jennifer fixed her eyes on God and engaged their community to pray with her on their journey. And what happened next was nothing short of an everyday miracle. In this moving story, a wife and mother shares how she prayed God would save her husband from almost certain death and, in the process, illustrated to others that
