The Ice House Tim Clare, 2019-05-02 War doesn't end It sleeps Delphine Venner remembers everything She remembers what it is to be a child of war and what the terrifying creatures from another world took from her all those years ago And in that other world Avalonia someone waits for Delphine Hagar a centuries old assassin daily paying a terrible price for her unending youth is planning one final death the death that will cost her everything The death which requires Delphine In the battle to destroy an ageless evil Delphine must remember who she is and be ready to fight once more as war reawakens

The Ice Harp Norman Lock, 2023-07-04 Ralph Waldo Emerson battles dementia while debating whether to intercede in a Black soldier's unjust arrest In 1879 toward the end of his life the Sage of Concord has lost his words Beset by aphasia and grief Ralph Waldo Emerson is scarcely recognizable as America's foremost essayist and orator To the dismay of his wife he frequently entertains the specters of his fellow transcendentalists including Whitman Thoreau John Muir and Margaret Fuller and frets about the future of humankind and the natural world Does the present displace the past Do ideas always precede actions What responsibility does each of us bear for the downtrodden the

preservation of liberty and the Earth itself These metaphysical concerns become concrete when Emerson meets a Black soldier accused of killing a white man who abused him The soldier s presence demands a response from Emerson an action outside the parlors of philosophy and beyond the realm where language and logic hold sway The Ice Harp the tenth stand alone book in The American Novels series is a poignant portrayal of a literary luminary coming to terms with the loss of memory the cost of inaction and the end of life *On Thin Ice* Barry Scott Zellen,2009-11-12 *On Thin Ice* explores the relationship between the Inuit and the modern state in the vast but lightly populated North American Arctic It chronicles the aspiration of the Inuit to participate in the formation and implementation of diplomatic and national security policies across the Arctic region and to contribute to the reconceptualization of Arctic Security including the redefinition of the core values inherent in northern defense policy With the warming of the Earth s climate the Arctic rim states have paid increasing attention to the commercial opportunities strategic challenges and environmental risks of climate change As the long isolation of the Arctic comes to an end the Inuit who are indigenous to the region are showing tremendous diplomatic and political skills as they continue to work with the more populous states that assert sovereign control over the Arctic in an effort to mutually assert joint sovereignty across the region Published on the 50th anniversary of Ken Waltz s classic *Man the State and War* Zellen s *On Thin Ice* is at once a tribute to Waltz s elucidation of the three levels of analysis as well as an enhancement of his famous Three Images with the addition of a new Fourth Image to describe a tribal level of analysis This model remains salient in not only the Arctic where modern state sovereignty remains limited but in many other conflict zones where tribal peoples retain many attributes of their indigenous sovereignty *How to Eat Ice Cream* Hitesher Gef,2018-10-16 Jessica sat on the beach teary eyed as she replayed thoughts of how miserable her life was The only good thing was that life could not get any worse as everything that could go wrong had gone wrong The person she loved was cheating on her she lost her job because she was accused of theft her parents believed she was useless her bank threatened to close her account due to lack of funds and she recently discovered a lump in her breast to which she was awaiting results She looked at the vastness of the ocean hoping that it would swallow her whole Jessica silently prayed for help as emotions overflowed from her broken heart and poured out through her glistening tears She did not know what to do anymore Her only hope for transformation was in the form of a wise elderly man named Thomas and his canine companion Monty Thomas promised that he could help her turn her life around by offering her ice cream She thought that perhaps she was life s personal practical joke How could ice cream change her life anyway By accepting his early morning offering she didn t realize that she had set a ripple effect off that would impact her and other s lives forever The next 7 days would offer a conversation unlike anything Jessica had ever experienced She was privy to sacred teachings on body mind heart and soul covering every area in life from health finances purpose relationships and spirituality Could she turn it all around Follow Jessica and Thomas on their journey and participate in a conversation that has the power to bring about transformation in
