Photius (Constantinopolitanus.)

Patriarch Photios Of Constantinople:

Patriarch Photios of Constantinople Despina Stratoudaki White, Saint Photius I (Patriarch of Constantinople), 1981 The 9th century patriarch's biography, scholarship and correspondence are presented and discussed. Also contains a translation of 52 of his letters

The Homilies of Photius, Patriarch of Constantinople Cyril Mango, 2018-01-04 The historical role of Photius has all too often been viewed only as it concerned the rift between the Western and Eastern Churches. He has been regarded either as the Father of the Schism or as the staunch defender of Greek Orthodoxy against the encroachments of Rome. It is hoped that by presenting the Homilies of Photius in English translation these one-sided views may to some extent be corrected. For surprising though it may appear we shall not find in the Homilies a single reference to the Papacy. When they are not purely didactic the Homilies are dominated by such topics as the suppression of the Iconoclast movement, the re-establishment of sacred painting, the propagation of the true faith among heretics and the quelling of internal division in the Church of Constantinople. From the Introduction

The Patriarch and the Prince Photius Ier ((patriarche de Constantinople ;), 1982 This work examines Byzantine Bulgarian relations through the eyes of Patriarch Photios of Constantinople, one of Byzantium's greatest churchmen

Saint Photios, Patriarch of Constantinople John Kallos, 1992-02-01

The Homilies of Photius, Patriarch of Constantinople Photius (Constantinopolitanus.), 1958

A History of Byzantium Timothy E. Gregory, 2011-08-26 This revised and expanded edition of the widely praised *A History of Byzantium* covers the time of Constantine the Great in AD 306 to the fall of Constantinople in 1453. Expands treatment of the middle and later Byzantine periods incorporating new archaeological evidence. Includes additional maps and photographs and a newly annotated updated bibliography. Incorporates a new section on web resources for Byzantium studies. Demonstrates that Byzantium was important in its own right but also served as a bridge between East and West and ancient and modern society. Situates Byzantium in its broader historical context with a new comparative timeline and textboxes
