Patriarchalism In Political Thought

Gordon J. Schochet

Patriarchalism In Political Thought:

Patriarchalism in Political Thought Gordon J. Schochet, 1975-01-01 *The Authoritarian Family and Political Attitudes in 17th- Century England* Gordon J. Schochet, 1988 Available for the first time in paperback this classic study of the relationship between paternal and political authority identifies patriarchalism as a leitmotif of western social and political thought since the time of Plato and Aristotle Gordon Schochet shows that patriarchal doctrines can be found in the writings of all major political theorists from Plato to Bodin and that almost every significant political thinker in the seventeenth century England acknowledged and addressed patriarchalism In the Stuart period patriarchalism was the primary alternative to social contract and populist justifications of political authority Moreover patriarchal power was a major presupposition of those very doctrines that were offered in opposition to it The author demonstrates that the ideological social structural and philosophic roots of the patriarchal tradition are deeply embedded in the political consciousness and practices of Western Europe In earlier political thought familial doctrines provided anthropological accounts of the origins of political order whereas in the Stuart period patriarchalism was primarily a justification of political obligation Analyzing these essential differences Professor Schochet offers a number of sociological and virtual disappearance of patriarchal conceptions of obligations during the seventeenth century Untangling the patriarchal theory he shows that it comported well with the implicit ideology and everyday life of the masses and was fully consistent with the level of historical awareness of the early modern period The final chapter traces the ultimate demise of patriarchalism in the eighteenth century and its transformation back into a theory of political origins In addition the author discusses a number of important questions about the nature of political theory how its historical documents may be analyzed and the resort to symbols in political discourse

Patriarchalism Political Thought Gordon J. Schochet, 1975-09-22 **Literature and the Politics of Family in Seventeenth-Century England** Su Fang Ng, 2007-01-25 A common literary language linked royal absolutism to radical religion and republicanism in seventeenth century England Authors from both sides of the Civil Wars including Milton Hobbes Margaret Cavendish and the Quakers adapted the analogy between family and state to support radically different visions of political community They used family metaphors to debate the limits of political authority rethink gender roles and imagine community in a period of social and political upheaval While critical attention has focused on how the common analogy linking father and king family and state bolstered royal and paternal claims to authority and obedience its meaning was in fact intensely contested In this wide ranging study Su Fang Ng analyses the language and metaphors used to describe the relationship between politics and the family in both literary and political writings and offers a fresh perspective on how seventeenth century literature reflected as well as influenced political thought **Feminist Interpretations and Political Theory** Carole Pateman, Mary Lyndon Shanley, 1991 This volume brings together exciting and provocative new feminist readings of famous classic and contemporary texts from Plato to Habermas The collection also includes examinations of the

writings of Mary Wollstonecraft and Simone de Beauvoir that are usually excluded from the works conventionally held to comprise Western political thought. The essays raise fundamentally important questions about the significance of sexual difference in the great works of political theory and draw attention to neglected arguments and silences in the texts. No single feminist view of either the texts or the theoretical way forward informs these essays. A wide diversity of feminist approaches and theoretical frameworks are represented, forming a rich variety of interpretations and argument about such questions as the patriarchal construction of central political categories, the relation between public and private life and the problem of equality and difference, including differences among women. This refreshing and stimulating collection will be indispensable for students of political thought and offers all those interested in the connection between the classic writings and current political discussions as accessible introduction to feminist argument.

Feminist Interpretations of John Locke Nancy J. Hirschmann, Kirstie M. McClure, 2010-11-01. This collection considers one of the most important figures of the modern canon of political philosophy, John Locke. A physician by training and profession, Locke not only wrote one of the most important and well-known treatises of the modern canon but also made important contributions in the areas of seventeenth-century law and public policy, epistemology, philosophy of language, religion, and economics. There has been a long-standing debate in feminist scholarship on Locke as to whether this early founder of modern liberal thought was a strong feminist or whether he ushered in a new and uniquely modern form of sexism. The essays grapple with this controversy but also move beyond it to the meaning of gender, the status of femininity and masculinity, and how these affect Locke's construction of the state and law. The volume opens with three of the early classic feminist essays on Locke and follows them with reflective essays by their original authors that engage Locke with issues of globalization and international justice. Other essays examine Locke's midwifery notes, his treatise on education, his writings on Christianity, his contributions to poor law policy, his economic writings, and his *Essay Concerning Human Understanding*. In addition to essays by leading feminist theorists, the volume also includes essays by some leading Locke scholars for whom gender is not normally a primary focus, so that the volume should speak to a wide range of scholarly interests and concerns. Besides the editors, the contributors are Teresa Brennan, Melissa Butler, Terrell Carver, Carole Pateman, Carol Pech, Gordon Schochet, Mary Lyndon Shanley, Jeremy Waldron, Joanne Wright, and Linda Zerilli.

Contemporary Political Philosophy Robert E. Goodin, Philip Pettit, 2005-09-23. This authoritative collection of the seminal texts in post-war political philosophy has now been updated and expanded. Reprints key articles, mainly unabridged, touching upon the nature of the state, democracy, justice, rights, liberty, equality, and oppression. Includes work from politics, law, and economics as well as from continental and analytic philosophy. Now includes thirteen additional texts taking account of recent developments in the field and reflecting the most pressing concerns in international affairs. Can be used alongside *A Companion to Contemporary Political Philosophy* (Blackwell Publishing, 1993, second edition) in preparation as the basis for a systematic introduction to the subject.

John Locke's Political Philosophy and the Hebrew

Bible Yechiel M. Leiter, 2018-06-28 John Locke whose ideas helped give birth to the United States predicated his political theory on the Hebrew Bible Why **Patriarchy and the Politics of Beauty** Allan D. Cooper, 2019-10-04 Political philosophers from the beginning of history have articulated the significance of beauty Allan D Cooper argues that these writings are coded to justify patriarchal structures of power and that each epoch of global history has reflected a paradigm of beauty that rationalizes protocols of gender performance Patriarchy is a system of knowledge that trains men to become soldiers but is now being challenged by human rights advocates and women s rights activists **The Disorder of Women** Carole Pateman, 1989 Carole Pateman is one of the leading political theorists writing today This wide ranging volume brings together for the first time a selection of her work on democratic theory and feminist criticism of mainstream political theory The volume includes substantial discussions of problems of democracy citizenship and the welfare state including the largely unrecognized difficulties surrounding women s participation The inclusion of essays from both a mainstream and feminist perspective provides concrete examples of the differences between these two approaches to democracy to questions of consent and political obligation and to the relationship between the private and public spheres This scholarly and highly challenging work will be of interest to students and researchers in political theory political science women s studies and sociology

Patriarchalism In Political Thought Introduction

Free PDF Books and Manuals for Download: Unlocking Knowledge at Your Fingertips In today's fast-paced digital age, obtaining valuable knowledge has become easier than ever. Thanks to the internet, a vast array of books and manuals are now available for free download in PDF format. Whether you are a student, professional, or simply an avid reader, this treasure trove of downloadable resources offers a wealth of information, conveniently accessible anytime, anywhere. The advent of online libraries and platforms dedicated to sharing knowledge has revolutionized the way we consume information. No longer confined to physical libraries or bookstores, readers can now access an extensive collection of digital books and manuals with just a few clicks. These resources, available in PDF, Microsoft Word, and PowerPoint formats, cater to a wide range of interests, including literature, technology, science, history, and much more. One notable platform where you can explore and download free Patriarchalism In Political Thought PDF books and manuals is the internet's largest free library. Hosted online, this catalog compiles a vast assortment of documents, making it a veritable goldmine of knowledge. With its easy-to-use website interface and customizable PDF generator, this platform offers a user-friendly experience, allowing individuals to effortlessly navigate and access the information they seek. The availability of free PDF books and manuals on this platform demonstrates its commitment to democratizing education and empowering individuals with the tools needed to succeed in their chosen fields. It allows anyone, regardless of their background or financial limitations, to expand their horizons and gain insights from experts in various disciplines. One of the most significant advantages of downloading PDF books and manuals lies in their portability. Unlike physical copies, digital books can be stored and carried on a single device, such as a tablet or smartphone, saving valuable space and weight. This convenience makes it possible for readers to have their entire library at their fingertips, whether they are commuting, traveling, or simply enjoying a lazy afternoon at home. Additionally, digital files are easily searchable, enabling readers to locate specific information within seconds. With a few keystrokes, users can search for keywords, topics, or phrases, making research and finding relevant information a breeze. This efficiency saves time and effort, streamlining the learning process and allowing individuals to focus on extracting the information they need. Furthermore, the availability of free PDF books and manuals fosters a culture of continuous learning. By removing financial barriers, more people can access educational resources and pursue lifelong learning, contributing to personal growth and professional development. This democratization of knowledge promotes intellectual curiosity and empowers individuals to become lifelong learners, promoting progress and innovation in various fields. It is worth noting that while accessing free Patriarchalism In Political Thought PDF books and manuals is convenient and cost-effective, it is vital to respect copyright laws and intellectual property rights. Platforms offering free downloads often operate within legal

boundaries, ensuring that the materials they provide are either in the public domain or authorized for distribution. By adhering to copyright laws, users can enjoy the benefits of free access to knowledge while supporting the authors and publishers who make these resources available. In conclusion, the availability of Patriarchalism In Political Thought free PDF books and manuals for download has revolutionized the way we access and consume knowledge. With just a few clicks, individuals can explore a vast collection of resources across different disciplines, all free of charge. This accessibility empowers individuals to become lifelong learners, contributing to personal growth, professional development, and the advancement of society as a whole. So why not unlock a world of knowledge today? Start exploring the vast sea of free PDF books and manuals waiting to be discovered right at your fingertips.

FAQs About Patriarchalism In Political Thought Books

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer webbased readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks. What the advantage of interactive eBooks? Interactive eBooks incorporate multimedia elements, quizzes, and activities, enhancing the reader engagement and providing a more immersive learning experience. Patriarchalism In Political Thought is one of the best book in our library for free trial. We provide copy of Patriarchalism In Political Thought in digital format, so the resources that you find are reliable. There are also many Ebooks of related with Patriarchalism In Political Thought.
