Paul A Challenge To Christians Today:

The Lost Revelation Ira Messenger, 2007-12 Providing us with the only known revelation of the Gospel according to substitution a new and exciting interpretation of biblical truth Ira Messenger is probably the most controversial theologian of our day Author of the books *The Wrong Turn* *The Fourth Dimension* and *The Indictment* Messenger is also a radio and television talk show host *The Lost Revelation* offers answers to questions that his listening audience has submitted What makes Messenger so controversial is his attack on the mantra of present day Christianity Messenger brings a different perspective to biblical interpretation one in which God takes the initiative in His relationship with humankind rather than simply observing and judging its actions Do yourself a favor and add the revelation of the Gospel of Substitution to your religious perspective You may find yourself questioning much of what you believed to be true about Christianity On Becoming a Catholic: The Challenge of Christian Initiation Regis A. Duffy, 2010-05-01 This handbook to the Rite of Christian Initiation of Adults RCIA written by a renowned religious educator and theologian invites converts the clergy and all those engaged in the catechumenal process to appreciate anew the richness of the Catholic faith Regis Duffy articulates the requirements for becoming and remaining a full Christian committed to gospel values on every level of life to the building of the Kingdom of God *On Becoming a Catholic* is a complete introduction to the essentials of the catechumenal process and clearly relates what the church teaches to its members Duffy's exposition stresses The theology of the Cross as the root of all Christian conversion and formation and its meaning for individual Christians and parish life The Word of God as prophetic Word in parish familial and personal lives learning to recognize the Lord in unexpected places of our lives and world and nurture openness and responsiveness to the Word How to live and act as one marked by the Cross and the Word of God participating in a conversion process that profoundly changes our priorities values lifestyle and most importantly our involvement in worship and sacraments What it means to be a Christian community discovering the meaning of the Liturgical Year and the Church's role as teacher The value of Lenten observance the meaning of Good Friday and the centrality of the Easter event as basis for a practical theology of our redemptive need and God's enduring response How honest Eucharistic participation embodies a renewed sense of personal commitment to Christ and sense of mission and ministry in the community *Paul of Tarsus Challenges Us* Anthony C. Mbanefo MSP PH.D, 2018-02-06 This is a great exposition on the life of Saint Paul the great preacher and missionary There is no doubt that Saint Paul is one of the most imposing New Testament models that impacted modern Christian living The writer here does not only give an exposition of the life of Paul of Tarsus but in a very splendid manner makes him an example of Christian living today putting together all the ingredients that are found in the life and teaching of Saint Paul The writer shows in this work that he is a great believer in what Saint Paul says and commands others to be imitators of me as I am of Christ In this writing the author beautifully and skillfully demonstrates not only a great familiarity with the man in the Bible Paul but also showed a great ability in linking Paul's spirituality with

contemporary Christian living Drawing a lot of materials from his numerous epistles in the New Testament as well as other sources from both Old and New Testament this publication is a useful tool in the study of the Christian theology of Saint Paul The Pauline background of the writer in addition to his academic competence is showed in this beautiful work on Saint Paul For all who aspire to a deeper knowledge of the man of Tarsus called Paul and to those who desire to assimilate his numerous virtues in their lives this book is a wonderful companion

The Problem with Paul Brian J. Dodd, 1996-04-22 People outside the church have often found Paul hard to stomach His views on women sex and marriage his failure to attack the institution of slavery his verbal attacks on his opponents have all come under fire Regrettably Paul hasn't always fared that much better among believers who themselves like the apostle Peter sometimes wonder what to make of him Let's face it Paul just isn't politically correct Brian Dodd offers a fresh look at the somewhat enigmatic and misunderstood Paul With a pastor's heart and a scholar's insight he helps us to bridge the gap between Paul's world and our own providing the perspective we need to begin to make sense of Paul the man and his message Whether you stand outside the church looking in or whether even from the inside you struggle to make sense of Paul in the contemporary world The Problem with Paul will deepen your understanding and help you to grapple with one of the New Testament's most important authors
