Paul And His World:

Paul and His World Stephen Tomkins, 2004 A lively accessible introduction to the life of St Paul *Paul the Traveller* Ernle Bradford, 2014-08-19 The life of the first century man born Saul of Tarsus who went on to become Paul the Apostle by the acclaimed historian and author of Thermopylae Paul born into Asia Minor's Jewish aristocracy and a passionate student of scripture was part of the crowd that killed Stephen a deacon regarded as the first Christian martyr But on the road to Damascus Paul experienced a miracle that would change his life and in turn change history His conversion left him convinced that his true master was the man who would come to be known as Jesus Christ Drawing on his vast command of ancient history and blending it with superb storytelling skills author Ernle Bradford weaves a tale that takes the reader from city to city as Paul spreads the teachings of Christ despite being beaten stoned and shipwrecked It's a thrilling tale and stirring biography of a man whose devotion and rhetorical genius laid the groundwork for the religion that soon swept the civilized world Written by a historian known for immersing himself in his subjects which range from the ancient world to World War II this is a fascinating look at the convert who helped shape Christianity as a worldwide force **Jesus and His World - Paul**

and His World Peter Walker, Stephen Tomkins, 2019-03-22 Have you ever wanted accessible introductions to the key figures of Christian history In this book two expert authors draw on biblical scholarship to bring Jesus and Paul and their worlds vividly to life Jesus and His World Jesus Christ is probably the single most influential figure in world history but who was this preacher from Nazareth Can we be sure he existed And if he did what was the world like in which he lived Placing Jesus firmly in the Jewish world of 1st century Palestine Peter Walker explores the religious and social background to his life the Jewish expectations of a messiah Jesus ministry and teaching and helps readers interpret Jesus radical mission and the way he related to the world around him Paul and His World We know little about Paul yet he has had a greater impact on the development of Christianity than any other person except Christ For some his influence has been largely negative For others he is simply the greatest mind in Christian history Stephen Tomkins argues that Paul would have been quite at home with such a mixed reception Despite enjoying a degree of hero worship in his lifetime he was also more reviled than any other Christian and his Christian life was a constant arduous missionary journey of shipwrecks prison mob violence and the depressing politics of church life This is a lively and lucid portrayal of the man behind the controversy and the drama
