Paul John J. Gunther, 1972 *Paul and His Letters* John B. Polhill, 1999 Except for Christ himself no figure has been more influential in the history of Christianity than the apostle Paul And yet his remarkable life remains shrouded in mystery In this probing new book John B Polhill scrapes away the myths about this great man and uncovers the truth of his life and thought Using Acts the Pauline epistles and reliable traditions from non canonical sources Polhill weaves together the remarkable story of Paul s transformation from persecutor to persecuted producing a dynamic account of his entire ministry By placing each of Paul s letters in its proper historical context Polhill brings new light to these foundation stones of the Christian faith He follows Paul from his early years in Tarsus and Jerusalem to his imprisonment and eventual martyrdom painting a detailed comprehensive portrait of Paul that will serve as an indispensable resource for students teachers and pastors alike

Paul's Decision Making in Acts Wayne ODonnell, 2020-05-15 This book is a commentary on the New Testament Book of Acts that is primarily about the Apostle Paul and his mission to the Aegean All my books can be read online for free at <http://wayneodonnell.com> or <http://bible.ag> Freely you have received freely give Mt 10:8 In 1980 Garry Friesen wrote *Decision Making and the Will of God* a book that debunked the traditional view that God leads by inward impressions into His perfect specific will But Bible teachers continue to teach prayer is a two way conversation churches continue to question pastoral candidates about their call to the ministry and Christians continue to try to discern God s inner voice to make decisions Christians in the book of Acts made their decisions by the Word and Wisdom not by

listening for inward impressions Almost all Paul's decisions in Acts can be explained by 17 logical principles he followed Paul was Jesus surrogate to complete Jesus mission to bring the gospel to the Gentiles of the Aegean Sea and to the Jews of the diaspora Isaiah 49:1-6 Listen O Islands to me and hearken you Jewish People from far The LORD has called me from the womb He said It is a light thing that you would be my servant to restore the preserved of Israel I will also give you for a light to the Gentiles so that you may be my salvation to the end of the earth The first part of the book of Acts asks Can even Gentiles be saved But the last part focuses on Luke's real message The Congregation should continue to look equally Jewish and Gentile even though Gentiles become far more numerous in the Congregation This is God's highest purpose gathering two into the one body of Messiah according to Ephesians All Paul's epistles were written by the end of Acts 28 There's no need for a speculated release and second Roman imprisonment This book also provides an accounting of the movements of Paul's coworkers and a history of Charismaticism Christian mysticism and the false doctrine of Let Go and Let God *The Origin of I Corinthians* John Coolidge Hurd, 1983

The Blackwell Companion to Paul Stephen Westerholm, 2014-01-07 The Blackwell Companion to Paul presents a distinctive dual focus approach that encompasses both the historical Paul and the history of Paul's influence In doing so expert contributors successfully address the interests of students of early Christianity and those of Christian theology Offers a complete overview of the life writings and legacy of one of the key figures of Christianity The essays compass the major themes of Paul's life and work as well as his impact through the centuries on theology Church teaching social beliefs art literature and contemporary intellectual thought Edited by one of the leading figures in the field of Pauline Studies The contributors include a range of world renowned academics *Paul's Letter to the Colossians* Gerald F. Hawthorne, Stephen E. Hawthorne, 2010

The Early Christians in Ephesus from Paul to Ignatius Paul Trebilco, 2007-10-17 The capital city of the province of Asia in the first century CE Ephesus played a key role in the development of early Christianity In this book Paul Trebilco examines the early Christians from Paul to Ignatius seen in the context of our knowledge of the city as a whole Drawing on Paul's letters and the Acts of the Apostles Trebilco looks at the foundations of the church both before and during the Pauline mission He shows that in the period from around 80 to 100 CE there were a number of different communities in Ephesus that regarded themselves as Christians the Pauline and Johannine groups Nicolaitans and others testifying to the diversity of that time and place Including further discussions on the Ephesus addresses of the apostle John and Ignatius this scholarly study of the early Ephesian Christians and their community is without peer *The Cradle, the Cross, and the Crown* Andreas J. Köstenberger, L. Scott Kellum, Charles L. Quarles, 2016-08-15 The Cradle the Cross and the Crown guides serious New Testament students through the historical literary and theological dimensions of the biblical text allowing them to better understand and share God's word of truth 2 Tim 2:15 It offers a thorough introduction to all twenty seven books of the New Testament and closely examines events such as Christ's incarnation and virgin birth his crucifixion and resurrection and triumphant return The second edition features

updated bibliographies and footnotes interpretation sections that cover different literary genres in the New Testament an epilogue that canvasses the entire storyline of Scripture and a variety of maps All of these new features contribute to making this a life long resource for students of Scripture *Paul the Letter-Writer and the Second Letter to Timothy* Michael Prior, 1989-03-01 This study argues for new perspectives on the letters of Paul especially the Second Letter to Timothy It examines striking aspects of Paul s letters especially the fact that many of them are co authored that six of them acknowledge that a secretary has penned the letter and that 1 Timothy 2 Timothy and Titus are the only ones addressed to individuals It investigates the implications of these facts for the concept of Pauline authorship Prior maintains that the received arguments statistical as well as literary which exclude 2 Timothy from the influence of Paul are less than convincing The author suggests an original reading of 2 Timothy arguing it was composed by Paul towards the end of his first Roman imprisonment Contrary to all interpretations of the letter which argue that Paul was about to be martyred Prior claims that Paul was confident that he would be released and was assembling a mission team to bring his proclamation of the Gospel to a completion Timothy s courage and missionary zeal needed rekindling for he and Mark were to be key figures in this new team
