## **Paul Simon Companion:**

The Paul Simon Companion Stacey Luftig, 1997 This is a collection of essays articles and reviews detailing Paul Simon's work in the recording studio Graceland in film on television and on the Broadway stage It includes a chronology discography filmography and bibliography

Paul Simon Cornel Bonca, 2014-10-10 Paul Simon An American Tune is the first full scale survey of the career of one of the most honored musicians and songwriters in American history Starting out as a teeny bopper rocker in the late 1950s Paul Simon went on to form the most influential pop duo of the 1960s Simon Garfunkel and after their break up in 1970 launch one of the most successful varied and surprising solo careers of our time In Paul Simon An American Tune Cornel Bonca considers Simon's vast trove of songs in the biographical and cultural context in which he wrote them from the pop cultural revolution of the 1960s which Simon himself helped to create the singer songwriter movement of the 1970s the turn toward world music in the 1980s that gave the world the monumental Graceland to the intimate personal turn his music took in the millennial era Analyzing Simon's albums one by one often song by song Bonca provides a deep and artful exploration of the work of one of today's major songwriters Offering a lucid and vivid portrait of an astonishing decades long career Paul Simon An American Tune will interest a wide audience from Simon fans to students and scholars of American popular culture

**The Words and Music of Paul Simon** James Bennighof, 2007-10-30 Paul Simon is commonly acknowledged to be one of the most successful singer songwriters of the pop rock era His work has flourished in the context of Simon and Garfunkel as well as in his own solo career Starting with the folk rock style that marked his earliest significant success he has drawn on a wide variety of influences including many American traditions and later many international ones as well He has won multiple Grammy awards in both the duo and the solo phases of his career His songwriting has also provided the impetus for brief forays into film and musical theatre After providing a brief biographical overview this work examines Simon's songwriting work in depth providing a critical discussion of each song as a fusion of text and music so as to help the reader to identify elements that enhance appreciation A particularly valuable contribution in this context is the discussion of the wide variety of musical elements that contribute significantly to the value of Simon's work These include such easily understandable issues as verse chorus structure melodic variation selection of particular instruments and even performers variation of musical style within a song general harmonic characteristics relationships among keys rhythm and pacing of text etc While the book proceeds chronologically through Simon's recorded output specific threads are developed throughout and the discussion of individual songs takes place in the context of these threads both drawing on them and developing them further The diversity of Paul Simon's work reflects his very American background and no discussion of American music is complete without accounting for his influence

**The SNL Companion** Stephen Tropiano, Steven Ginsberg, 2024-09-17 This is a comprehensive ticket to learning more about every aspect of the late night comedy staple and its storied history Library Journal Television history was made on October 11 1975 when a new generation

of young performers welcomed America to the first episode of a new late night comedy and variety show Combining cutting edge humor with a satirical sensibility Saturday Night Live would go on to become the longest running series of its kind in television history shining a light on pop culture as well as contemporary social and political issues It also became a launching pad for many of the leading comedy performers of the last five decades including John Belushi Bill Murray Gilda Radner Eddie Murphy Phil Hartman Will Ferrell Tina Fey Amy Poehler Seth Meyers Jimmy Fallon Maya Rudolph and Kate McKinnon Celebrating the show s record breaking 50 years on the air The SNL Companion is a fun fact filled tribute to a television institution From the show s creation by Lorne Michaels through all of the seasons leading up to its golden anniversary it provides an in depth look at SNL s comedic highlights and nadirs its memorable hosts and musical guests and its many controversies Along with a complete episode guide it explores the characters sketches politics catchphrases commercial parodies and viral shorts that have made it a leader in American comedy for over five decades Vastly revised updated and expanded since its original publication in 2013 and packed with photographs and rich encyclopedic detail The SNL Companion is a one stop resource for all things SNL
