JOHN FISHER

Paul Kruger His Life And Times

André Wessels

Paul Kruger His Life And Times:

Paul Kruger John Fisher,1975 **The Memoirs of Paul Kruger** Paul Kruger,1902 The Memoirs of Paul Kruger Paul Kruger,2021-04-04 Paul Kruger was the dominating figure of Boer and therefore South African history of the nineteenth century His life spanned the time of the Great Trek the European settlement of the interior right up to the end of the Second Boer War and the shadow of his political career stretched deep into the twentieth century His memoirs dictated while in exile shortly after the end of the Second Boer War provide a remarkable and unique insight into this period of history from a perspective which no other work has ever delivered This fast moving account starts with a short biographical account of Kruger s early years in the British ruled Cape Colony his participation in the Great Trek and pioneer life in the interior The narration then swiftly moves on to describe the founding of the Boer republics of the Orange Free State and the South African Republic Transvaal Intertwined in this dramatic story is Kruger s own activities and his entry into public life first as a local commander a field cornet then as elected commandant general of the armed forces Kruger throws light on the Boer civil war of 1861 1864 the ongoing conflict with the surrounding African tribes and the events leading up to the 1877 British annexation of the Transvaal Kruger s role in the resulting Boer insurrection which resulted in the First Boer War and the British Empire s first defeat since the American Revolution is dealt with in full Kruger s election first as vice president of the Transvaal and thereafter as president a process to be repeated four times firmly established his dominating presence in South African history Finally he describes in detail the events which led to the outbreak of the Second Boer War and his exile to Europe This new edition contains the full text and original footnotes from the first German and English language editions and a number of new footnotes explaining events terms and personalities to the present day reader It also contains a new epilogue which briefly describes Kruger s life and death in exile It also contains all eleven appendices from the original edition Paul Kruger, His Life and Times Manfred Nathan,1941 Colonialism in Africa 1870-1960: Volume 5, A Bibliographic Guide to Colonialism in Sub-Saharan Africa L. H. Gann,Peter Duignan,1969 A comprehensive study of recent African history examining the political social and economic effects of colonialism **Myths and Nationhood** George Schopflin,Geoffrey Hosking,2013-09-13 Myths are central to the way we live and how we define ourselves In this pioneering book a group of specialists among them Anthony Smith Norman Davies Geoffrey Hosking and George Schopflin look at the general and theoretical nature of myth on a universal basis and examine the specific myths of various nations With nationhood and ethnicity at the centre of political attention the book is timely in illuminating the deeper underlying issues of nationalism that cause so much conflict throughout the world **The Anglo-Boer War (1899-1902)** André Wessels,2010-09-01 Based on many years of research with regard to the Anglo Boer War this book is essential reading for anyone who would like to know more about the most devastating conflict that has thus far been waged between white people in Southern Africa However with due course this war also involved more and more black brown and to some extent Asian

people **President Paul Kruger** Johannes Meintjes,1974 **The Boer War** Fred R. van Hartesveldt,2000-05-30 One hundred years after the Boer War the British continue to debate what went wrong while the war has significant nationalist overtones in today s South Africa This book examines changes in interpretations of the war and provides a bibliography of major sources on the Boer War now sometimes called the South African War The bibliography focuses on the military history but also includes some historical accounts of the political debate The first part of the book provides an extended historiographical essay while part two provides an annotated bibliography of the titles discussed in part one Historiographical questions concerning the Boer War are numerous Discussions of military operations focus on the early use of modern weaponry and the effect of guerrilla tactics on a traditional force while other historians debate the question of British military leadership and organization Questions also revolve around British imperialism and the scramble for Africa Frequently called the second war for freedom by South African authors the war was the reason that South Africa unlike other British colonies gained independence without majority rule This makes the war of continuing relevance to the turmoil in South Africa the collapse of the minority government and the continuing problems of the current government This book will provide a useful tool for those wishing to research the war *King of the Mountain* Arnold M. Ludwig,2002-01-01 People may choose to ignore their animal heritage by interpreting their behavior as divinely inspired socially purposeful or even self serving all of which they attribute to being human but they masticate fornicate and procreate much as chimps and apes do so they should have little cause to get upset if they learn that they act like other primates when they politically agitate debate abdicate placate and administrate too from the book *King of the Mountain* presents the startling findings of Arnold M Ludwig s eighteen year investigation into why people want to rule The answer may seem obvious power privilege and perks but any adequate answer also needs to explain why so many rulers cling to power even when they are miserable trust nobody feel besieged and face almost certain death Ludwig s results suggest that leaders of nations tend to act remarkably like monkeys and apes in the way they come to power govern and rule Profiling every ruler of a recognized country in the twentieth century over 1 900 people in all Ludwig establishes how rulers came to power how they lost power the dangers they faced and the odds of their being assassinated committing suicide or dying a natural death Then concentrating on a smaller sub set of 377 rulers for whom more extensive personal information was available he compares six different kinds of leaders examining their characteristics their childhoods and their mental stability or instability to identify the main predictors of later political success Ludwig s penetrating observations though presented in a lighthearted and entertaining way offer important insight into why humans have engaged in war throughout recorded history as well as suggesting how they might live together in peace

This is likewise one of the factors by obtaining the soft documents of this **Paul Kruger His Life And Times** by online. You might not require more times to spend to go to the books foundation as with ease as search for them. In some cases, you likewise do not discover the message Paul Kruger His Life And Times that you are looking for. It will enormously squander the time.

However below, past you visit this web page, it will be fittingly no question easy to get as well as download guide Paul Kruger His Life And Times
