The Temptation to Tango Irene D. Thomas, Larry M. Sawyer, 2005 You are invited to tango the world s most sensual and intimate dance through the stories and memoirs of two American tangueros The Temptation to Tango Journeys of Intimacy and Desire will take you where no other book on tango ever has Short fictional pieces enter the world of tango through the dancer s eyes heart and skin expository pieces provide background with lively accounts of tango s history and evolution of personal experiences learning to tango and of the pleasures and challenges of adding tango to our own lives Alternating fiction and non fiction the way we have is the only way to capture the multiple voices of tango Ours is not a how to manual or an historical treatise but a tour of the erotic steam of crowded late night dance floors as well as the frightening challenges to body and heart The Temptation to Tango Journeys of Intimacy and Desire is divided into four parts The Lure The Reality The Challenge and The Reward First we explore tango s romantic allure mysterious origins and exotic dark side The first short story is about a Catholic priest whose hidden life of tango is exposed Next we focus on why tango is so hard to learn the stresses on the body and inner world of emotion We investigate the cultural issues around dominance and submission Six more short stories tell tales of couples and singles who take on the tango with very different goals and results Even after mastery of the dance challenges abound the tango scene and how to fit into it the intimacy factor and how far to take it and the impact on established relationships What one can get from persevering along the arduous tango trail is sensual and emotional fulfillment rewards frequently lacking in our society

got back to Buenos Aires Tango Mike Gonzalez, Marianella Yanes, 2013-07-15 Born on the unlit streets of Buenos Aires tango was inspired by the music of European immigrants who crossed the ocean to Argentina lured by the promise of a better life It found its home in the city's marginal districts where it was embraced and shaped by young men who told stories of prostitutes petty thieves and disappointed lovers through its music and movements Chronicling the stories told through tango's lyrics Mike Gonzalez and Marianella Yanes reveal in Tango how the dance went from slumming it in the brothels and cabarets of lower class Buenos Aires to the ballrooms of Paris London Berlin and beyond Tracing the evolution of tango Gonzalez and Yanes set its music key figures and the dance itself in their place and time They describe how it was not until Paris went crazy for tango just before World War I that it became acceptable for middle class Argentineans to perform the seductive dance and they explore the renewed enthusiasm with which each new generation has come to it Telling the sexy enthralling story of this stylish and dramatic dance Tango is a book for casual fans and ballroom aficionados alike **Flying**
