Pauls First Letter To Corinth:

Paul's First Letter to Corinth John Samuel Ruef, 1977 *A Commentary on Paul's First Letter to the Corinthians* Harm W. Hollander, 2023-04-11 This book provides a new functional equivalent translation of Paul's First Letter to the Corinthians along with a full and eminently readable commentary on the letter. It interprets Paul's letter in relation to its historical and cultural environment with due attention to its unique occasion. The commentary clarifies Paul's ways of defending himself against the attacks of a number of Corinthian Christians who preferred other missionaries to Paul, the founder of the Christian community in Corinth. It also elucidates his attempts to persuade all his readers in Corinth to keep on living according to the will of God. In these attempts, the apostle deals with topics such as marriage, sexuality, Christian freedom, spiritual gifts such as prophecy and glossolalia, love for one another, and the resurrection of the dead. In its treatment of the tense relationship between Paul and the Corinthians, the commentary gives more insight into Paul's letter and its ongoing significance.

The First Letter to the Corinthians Roy E. Ciampa, Brian S. Rosner, 2020-05-21 This careful, sometimes innovative, mid-level commentary touches on an astonishingly wide swath of important, sensitive issues, theological and pastoral, that have urgent resonances in twenty-first-century life. This thorough commentary presents a coherent reading of 1 Corinthians, taking full account of its Old Testament and Jewish roots and demonstrating Paul's primary concern for the unity and purity of the church and the glory of God. Those who preach and teach 1 Corinthians will be grateful to Ciampa and Rosner for years to come, and scholars will be challenged to see this letter with fresh eyes.

The First Epistle of Paul to the Corinthians Leon Morris, 1985 Provides a section-by-section commentary on the New Testament book of First Corinthians, featuring discussion of primary themes, individual verses, and problems of interpretation, and including information on authorship, date, and historical background.

The First Epistle to the Corinthians Anthony C. Thiselton, 2000-11-22 This superb volume in the New International Greek Testament Commentary series provides the most detailed, definitive, and distinctive commentary on 1 Corinthians available in English to date. One of the world's most respected Christian theologians, Anthony Thiselton, here provides in-depth discussion of the language of 1 Corinthians, presents his own careful translation of the Greek text, traces the main issues of interpretation from the church fathers to the present, and highlights topics of theological, ethical, and sociohistorical interest today, including ethics and rights, marriage, divorce, and remarriage, headship, gender, prophecy, and many others. No other commentary on 1 Corinthians embodies the wealth and depth of detail presented in Thiselton's work, which takes account of nearly all scholarly research on 1 Corinthians and incorporates substantial bibliographies throughout. In his commentary, Thiselton indeed addresses virtually every question that thoughtful, serious readers, scholars, students, pastors, teachers may wish to ask of or about the text of 1 Corinthians. His work truly offers a fresh, comprehensive, and original contribution to our understanding of this major epistle and its contemporary relevance.
