Routis, 2019-09-24 When the Prince of Darkness decides to destroy Job the curtain on his life and that of his family will be drawn Although a loyal servant to God Job finds peace with himself and his God after his destruction where he finally finds his place in heaven The Tragedy of Job captivates the audience with the brilliant elegant and compelling dialogues and soliloquies which bring to life this biblical tragedy Eli a Jewish high priest one of the last Israelite judges before the rule of kings lived his life serving God at the tabernacle in Shiloh He took under his wings Samuel who succeeded him as the last Israelite judge His end comes at the age of ninety eight when he learnt blind now that his sons were killed by the Philistines the Ark of the Covenant was captured and his daughter in law dies while giving birth to a son With captivating dialogues and soliloquies the drama of Eli underlines one of the most heartbreaking tragedies of the biblical era When the earth is destroyed due to climate change there are two lonely souls who meet at the side of a mountain trying to make sense out of this The Old Man who has spent his life searching for the truth desperation takes over him Someone said that darkness hides the truth And someone else said that darkness is everywhere But there is hope as long as the sun rises every morning and the stars shine above the ruins of civilization But hope always comes after hopeless moments I thought you mocked me the other night I thought you would never appear again But there you are Is that a hope It can't be But again what kind of a hope when everything is hopeless For Johanna and Theodore who deserve better I know that each one of us travels to love alone alone to faith and to death I know it I've tried it It doesn't help Let me come with you Giannis Ritsos 20th century Poet
