Art-of-Living Bernhard Schmitz, 2016-09-29 This volume examines the questions of what constitutes a good life and how one can achieve happiness and well-being and analyses different ways in which people can strive for a good life. First it presents an overview on important concepts in psychology that are related to living a good life. Then a new approach is introduced: the concept of art of living as a holistic way to reach happiness. Empirical studies are reported involving a questionnaire for measuring art of living and the validity of the questionnaire is demonstrated with respect to a wide range of concepts. In addition, the volume provides results from empirical studies showing that and how art of living and happiness can be enhanced. Several intervention studies are described in detail which have been performed with different groups of subjects including pupils, university students and employees. Also results of interviews are summarized which were held with people who had been nominated as exemplary artists of living. The volume concludes with a description of art of living in autobiographies and presents suggestions for further research with respect to art of living.

La Passione Dianne Hales, 2019-04-16 A jubilant celebration of Italy's outsized impact on culture from literature to art, music to movies that masterfully examines the multitude of reasons why so many people fall in love with Italy and the Italian lifestyle. Forbes Can you imagine painting without Leonardo, opera without Verdi, fashion without Armani, food without the signature tastes of pasta, gelato and pizza? The first universities, first banks, first public libraries. All Italian. New York Times bestselling author Dianne Hales attributes these landmark achievements to *la passione italiana*, a primal force that stems from an insatiable hunger to discover and create, to love and live with every fiber of one's being. This fierce drive millennia in the making blazes to life in the Sistine Chapel, surges through a Puccini aria, deepens a vintage Brunello and rumbles in a gleaming Ferrari engine. Our ideal tour guide, Hales sweeps readers along on her adventurous quest for the secrets of *la passione*. She swims in the playgrounds of mythic gods, shadows artisanal makers of chocolate and cheese, joins in Sicily's Holy Week traditions, celebrates a neighborhood *Carnevale* in Venice and explores pagan temples, vineyards, silk mills, movie sets, crafts studios and fashion salons. She introduces us through sumptuous prose to unforgettable Italians, historical and contemporary, all brimming with the greatest of Italian passions for life itself. A lyrical portrait of a spirit as well as a nation, *La Passione* appeals to the Italian in all our souls, inspiring us to be as daring as Italy's gladiators, as eloquent as its poets, as alluring as its beauties and as irresistible as its lovers. Praise for *La Passione* An effervescent love letter to all things Italian. Newsday In this sweeping account of *la passione italiana* from ancient to modern times, Dianne Hales shows once again why she is one of the world's foremost guides to the riches of Italian culture. Every page resonates with the author's love for Italy and her joy in sharing its remarkable discoveries and exquisite pleasures with her readers. Joseph Luzzi, author of *My Two Italies* and *In a Dark Wood* Hales takes us on an enriching and delightful journey filled with fascinating characters, scintillating sensual details and an authentic connection to the ever-inspiring Italian heart and soul that has given the world boundless pleasures.
