decade and has provided young people a tradition at least for the result of his best known masterpieces. There is no film and video studies centre in the Western world and Japan which has not exhibited his work and his influence on his contemporaries and on the new generation of video artists in the United States is incalculable El Retrato de Dorian Gray – The Portrait of Dorian Gray Oscar Wilde, 2017-03-22 p p1 margin 0 0px 0 0px 0 0px 0 0px font 10 1px Verdana Novela del ingl s Oscar Wilde 1854 1900 Publicada en 1890 esta novela filos fica fue v ctima de la censura de la poca por indecente y con el paso del tiempo se hizo un lugar entre las obras m s reconocidas de la literatura inglesa Versi n decadente del Fausto de Goethe es una cr nica profunda y puntual de la poca victoriana con descarnado realismo simb lico y de estilo g tico

Dictionary of Mexican Literature Eladio Cortés, 1992-11-24 This volume features approximately 600 entries that represent the major writers literary schools and cultural movements in the history of Mexican literature A collaborative effort by American Mexican and Hispanic scholars the text contains bibliographical biographical and critical material placing each work cited within its cultural and historical framework Intended to enrich the English speaking public s appreciation of the rich diversity of Mexican literature works are selected on the basis of their contribution toward an understanding of this unique artistry. The dictionary contains entries keyed by author and works the length of each entry determined by the relative significance of the writer or movement being discussed Each biographical entry identifies the author's literary contribution by including facts about his or her life and works a chronological list of works a supplementary bibliography and when appropriate critical notes Authors are listed alphabetically and cross referenced both within the text and the index to facilitate easy access to information Selected bibliographical entries are also listed alphabetically by author and include both the original title and English translation publisher date and place of publication and number of pages Earth, Stone, and Light Gloria Fraser Giffords, 2022-08-23 Over nearly three centuries Jesuit Franciscan and Dominican missionaries built a network of churches throughout the new world of New Spain Since the early twentieth century scholars have studied the colonial architecture of southern New Spain but they have largely ignored the architecture of the north However as this book clearly demonstrates the colonial architecture of Northern New Spain an area that encompasses most of the southwestern United States and much of northern Mexico is strikingly beautiful and rich with meaning After more than two decades of research both in the field and in archives around the world Gloria Fraser Giffords has authored the definitive book on this architecture Giffords has a remarkable eye for detail and for images both grand and diminutive Because so many of the buildings she examines have been destroyed she sleuthed through historical records in several countries and she discovered that the architecture and material culture of northern New Spain reveal the influences of five continents As she examines objects as large as churches or as small as ornamental ceramic tile she illuminates the sometimes subtle sometimes striking influences of the religious social and artistic traditions of Europe from the beginning of the Christian era through the nineteenth century of the Muslim countries ringing the Mediterranean from the seventh through the fifteenth centuries and

of Northern New Spain's indigenous peoples whose art influenced the designs of occupying Europeans Sanctuaries of Earth Stone and Light is a pathbreaking book featuring 200 stunning photographs and over 300 illustrations ranging from ceremonial garments to detailed floor plans of the churches The Cuban Filmography Alfonso I. García Osuna, 2015-08-01 On January 24 1897 an event took place that would change Cuban culture forever the first moving pictures were shown in Havana A couple of weeks later on February 7 the first movie was filmed on the island Since then cinematography and Cuba have shared peculiar and innate connections as their beginnings roughly coincide and Cubans are living in both the age of independence and revolution and the age of film This work is a filmography of every Cuban film including documentaries shorts and cartoons released from 1897 the first year films were shown and made in Cuba through 2001 Each entry gives the original title of the film the English translation of it director production company or companies year of release black and white or color total running time writing credits if the film is based on a story or novel animation credits if the film is a cartoon music credits if music has been written specifically for the film cast credits and a synopsis and short critical evaluation The work also provides comments on the relationship between Cuban film and history and the changes that have taken place over the years in themes topics methods and other aspects of filmmaking in Cuba Mexican Press and Civil Society, 1940-1976 Benjamin T. Smith, 2018-08-07 Mexico today is one of the most dangerous places in the world to report the news and Mexicans have taken to the street to defend freedom of expression As Benjamin T Smith demonstrates in this history of the press and civil society the cycle of violent repression and protest over journalism is nothing new He traces it back to the growth in newspaper production and reading publics between 1940 and 1976 when a national thirst for tabloids crime sheets and magazines reached far beyond the middle class As Mexicans began to view local and national events through the prism of journalism everyday politics changed radically Even while lauding the liberty of the press the state developed an arsenal of methods to control what was printed including sophisticated spin and misdirection techniques covert financial payments and campaigns of threats imprisonment beatings and even murder The press was also pressured by media monopolists tacking between government demands and public expectations to maximize profits and by coalitions of ordinary citizens demanding that local newspapers publicize stories of corruption incompetence and state violence Since the Cold War both in Mexico City and in the provinces a robust radical journalism has posed challenges to Picture Collections in Mexico Marth Davidson, Carlota Duarte, Raul Solano Nunez, 1988-04 Directory to government forces over 500 public and private collections of pictorial documents created and preserved in the United Mexican States Exemplary The type is large and clear and the page well designed for maximal legibility Even the quality of paper binding and case deserves praise An eminently respectable addition to art collections with photographic interests CHOICE marvelously intelligent guide beautiful reproductions of some especially interesting photos a must THE AMERICAS Windows 7 Para **Dummies** Andy Rathbone, 2011-12-14 Straightforward easy to use Windows 7 reference and guide for Spanish speakers
