Portraits Of Poverty:

Portraits of Poverty Edythe Shewbridge,1972 Faces of Poverty Jill Duerr Berrick,1995 This study aims to dispel the misconceptions and myths about welfare and the welfare population that have clouded the true picture of poverty in America It offers insights into each of the reforms under consideration and demonstrates their implications fo **PORTRAITS OF POVERTY. BY EDYTHE A. SHEWBRIDGE.** EDYTHE A. SHEWBRIDGE,1972 **Hard Choices** Norman Sibley,1984

Hard Choices - Portraits of Poverty and Hunger in America SAVE THE CHILDREN FEDERATION.,1985 *The Missing Class* Katherine Newman,Victor Tan Chen,2007-09-01 Fifty seven million Americans including 21 percent of the nation s children live a notch above the poverty line and yet the challenges they face are largely ignored While government programs assist the poor and politicians woo the more fortunate the Missing Class is largely invisible and left to fend for itself Missing Class parents often work at a breakneck pace to preserve the progress they have made and are but one divorce or unexpected hospitalization away from sliding into poverty Children face an even more perilous and uncertain future because their parents have so little time to help them with their schoolwork or guide them during their adolescent years With little supervision the younger generation often flounders in school sometimes falling prey to the same problems that are prevalent in the much poorer communities that border Missing Class neighborhoods Paradoxically the very efforts that enabled parents to get ahead financially often inhibit their children from advancing they are in real danger of losing what little ground their parents have gained The Missing Class is an urgent and timely exploration that describes through the experiences of nine families the unique problems faced by this growing class of people who are neither working poor nor middle class Katherine Newman and Victor Tan Chen trace where these families came from how they ve struggled to make a decent living and why they re stuck without a safety net An eloquent argument for the need to think about inequality in a broader way The Missing Class has much to tell us about whether the American dream still exists for those who are sacrificing daily to achieve it

Constructing Social Reality Loretta Brunious,2017-10-03 This book examines how black children who grow up in an impoverished environment construct their social reality and why this process is a particularly critical factor in their perception and creation of self It argues that black disadvantaged children develop a lifestyle and adopt values based on an identity grounded in racism inequality violence and poverty Constructing Social Reality Self Portraits of poor Black Adolescents makes a valuable contribution to the scholarship by investigating the phenomena of poverty from cognitive linguistic and experiential perspectives in the lives of disadvantaged black adolescents For Richer, for Poorer Kaitlan Colladay,Dartmouth College. Master of Arts in Liberal Studies Program,2009 **Picturing Poverty** Cara A. Finnegan,2003-03-17 Working for the government s Farm Security Administration in the 1930s photographers set out across the country to capture the human face of the Depression Picturing Poverty examines how popular magazines used these images to construct complex and often contradictory messages about poverty By striving to understand the original context

of the photographs Finnegan shines new light on the meanings of poverty the Depression and the various roles of the media

Portrait of the Poor Orazio P. Attanasio, Miguel Székely, 2001 The authors analyze the ownership and use of income generating assets as well as access to them Where there are market imperfections they propose policies to ease the constraints faced by the poor in accumulating the human physical and social capital they need to generate greater income
BOOK JACKET **Those who are Neglected**, 2004 **Official Portraits and Unofficial Counterportraits of At Risk Students** Richard J. Meyer, 2010-01-15 This book chronicles 5th and 6th grade writers children of gang members drug users poor people and non documented and documented immigrants in a rural school in the southwest US coming into their voices cultivating those voices and using those voices in a variety of venues beginning with the classroom community and spreading outward At the heart of this book is the cultivation of tension between official and unofficial portraits of these students Official portraits are composed of demographic data socioeconomic data and test results Unofficial counterportraits offer different views of children schools and communities The big ideas of official and unofficial portraits are presented then each chapter offers data the children s and teachers processes and products and facets of the theoretical construct of counterportraits as a response to official portraits The counterportraits are built slowly in order to base them in evidence and to articulate their complexity Many teachers and soon to be teachers facing the dilemmas and complexities of teaching in diverse classrooms have serious questions about how to honor students lives outside of school making school more relevant This book offers evidence to present to the public legislators and the press as a way of talking back to official portraits demonstrating that officially failing schools are not really failing evidence that is crucial for the survival of public schools

Breach of Promise James A. Gittings, 1988 **A Statistical Portrait of Women in the United States, 1978** United States. Bureau of the Census, 1980 **Violet America** Jason Arthur, 2013-04-05 Violet America takes on the long habit among literary historians and critics of thinking about large segments of American literary production in terms of regionalism or local color writing thus marginalizing important literary works Rather than simply celebrating regional difference Jason Arthur argues regional cosmopolitan fiction blends the nation s cultural polarities into a connected interdependent America
Book jacket **A Portrait of America** John Iceland, 2014-09-05 Portrait of America describes our nation s changing population and examines through a demographic lens some of our most pressing contemporary challenges ranging from poverty and economic inequality to racial tensions and health disparities Celebrated author John Iceland covers various topics including America s historical demographic growth the American family today gender inequality economic well being immigration and diversity racial and ethnic inequality internal migration and residential segregation and health and mortality The discussion of these topics is informed by several sources including an examination of household survey data and by syntheses of existing published material both quantitative and qualitative Iceland discusses the current issues and controversies around these themes highlighting their role in everyday debates taking place in Congress the media and in
