Portugal En Revolutions Historia:

Imperial Portugal in the Age of Atlantic Revolutions Gabriel Paquette, 2013-03-14 As the British French and Spanish Atlantic empires were torn apart in the Age of Revolutions Portugal steadily pursued reforms to tie its American African and European territories more closely together Eventually after a period of revival and prosperity the Luso Brazilian world also succumbed to revolution which ultimately resulted in Brazil's independence from Portugal The first of its kind in the English language to examine the Portuguese Atlantic World in the period from 1750 to 1850 this book reveals that despite formal separation the links and relationships that survived the demise of empire entwined the historical trajectories of Portugal and Brazil even more tightly than before From constitutionalism to economic policy to the problem of slavery Portuguese and Brazilian statesmen and political writers laboured under the long shadow of empire as they sought to begin anew and forge stable post imperial orders on both sides of the Atlantic *The history of the revolutions of Portugal, etc* Vertot (abbé de), 1750 *The History of the Revolutions of Portugal. Respatialization Matthias Middell,Megan Maruschke,2019-09-23 The French Revolution has primarily been understood as a national event that also had a lasting impact in Europe and in the Atlantic world Recently historiography has increasingly emphasized how France s overseas colonies also influenced the contours of the French Revolution This volume examines the effects of both dimensions on the reorganization of spatial formats and spatial orders in France and in other societies It departs from the assumption that revolutions shatter not only the political and economic old regime order at home but in an increasingly interdependent world also result in processes of respatialization The French Revolution therefore is analysed as a key event in a global history that seeks to account for the shifting spatial organization of societies on a transregional scale
