in Women's Educational Equity Aileen Wehren, 1978 **She was a Booklegger** Toni Samek, Moyra Lang, Keller R. Roberto, 2010 A compilation of reflections and tales from friends and other admirers who were influenced and inspired by Celeste West a feminist librarian lesbian publisher and activist Provided by publisher **The Subject of Film and Race** Gerald Sim, 2014-07-31 The Subject of Film and Race is the first comprehensive intervention into how film critics and scholars have sought to understand cinema's relationship to racial ideology In attempting to do more than merely identify harmful stereotypes research on films and race appropriates ideas from post structuralist theory But on those platforms the field takes intellectual and political positions that place its anti racist efforts at an impasse While presenting theoretical ideas in an accessible way Gerald Sim's historical materialist approach uniquely triangulates well known work by Edward Said with the Neo Marxian writing about film by Theodor Adorno and Fredric Jameson The Subject of Film and Race takes on topics such as identity politics multiculturalism multiracial discourse and cyborg theory to force film and media studies into rethinking their approach specifically towards humanism and critical subjectivity The book illustrates theoretical discussions with a diverse set of familiar films by John Ford Michael Mann Todd Solondz Quentin Tarantino Keanu Reeves and others to show that we must always be aware of capitalist history when thinking about race ethnicity and films **Revolting Librarians Redux** Katia Roberto, Jessamyn West, 2003-01-01 Revolting librarians aren't defined by what they are they are defined by what they do In fact it's not even what they do but how they do it Katia Roberto and Jessamyn West in the Preface This compilation of witty insightful and readable writings on the various aspects of alternative librarianship edited by two outspoken library professionals is a sequel to Revolting Librarians which was published in 1972 The contributors including Alison Bechdel Sanford Berman and Utne Reader librarian Chris Dodge cover topics that range from library education and librarianship as a profession to the more political and spiritual aspects of librarianship The contributions include critiques of library and information science programs firsthand accounts of work experiences and original fiction poetry and art Ten of the original librarians who wrote essays for Revolting Librarians back in 1972 reflect upon what they wrote thirty years ago and the turns that their lives and careers have taken since **The Film Cultures Reader** Graeme Turner, 2002 This companion reader to Film as Social Practice brings together key writings on contemporary cinema exploring film as a social and cultural phenomenon **Catalog of Copyright Entries. Third Series** Library of Congress. Copyright Office, 1978 **Specters of Slapstick and Silent Film Comediennes** Maggie Hennefeld, 2018-03-27 Women explode out of chimneys and melt when sprayed with soda water Feminist activists play practical jokes to lobby for voting rights while overworked kitchen maids dismember their limbs to finish their chores on time In early slapstick films with titles such as Saucy Sue Mary Jane's Mishap Jane on Strike and The Consequences of Feminism comediennes exhibit the tensions between joyful laughter

and gendered violence Slapstick comedy often celebrates the exaggeration of make believe injury Unlike male clowns however these comic actresses use slapstick antics as forms of feminist protest They spontaneously combust while doing housework disappear and reappear when sexually assaulted or transform into men by eating magic seeds and their absurd metamorphoses evoke the real life predicaments of female identity in a changing modern world Specters of Slapstick and Silent Film Comediennes reveals the gender politics of comedy and the comedic potentials of feminism through close consideration of hundreds of silent films As Maggie Hennefeld argues comedienne catastrophes provide disturbing but suggestive images for comprehending gendered social upheavals in the early twentieth century At the same time slapstick comediennes were crucial to the emergence of film language Women s flexible physicality offered filmmakers blank slates for experimenting with the visual and social potentials of cinema Specters of Slapstick and Silent Film Comediennes poses major challenges to the foundations of our ideas about slapstick comedy and film history showing how this combustible genre blows open age old debates about laughter society and gender politics
