Description

Updated with critical advances in research along with new NAEYC standards, Miller's POSITIVE CHILD GUIDANCE, 9th Edition, equips you with practical skills to guide, support and cope with a wide range of child behaviors. For a learning environment to thrive, it must be safe, individual rights must be respected and learners must accept responsibility for their actions. The author outlines workable steps for creating a cooperative, respectful community of children and adults, with special emphasis on social justice, cultural sensitivity and developmentally appropriate practice. This book provides insight into children's struggle to understand their own emerging needs and feelings while learning to meet adult expectations. You'll find a wealth of practical, effective and flexible guidance strategies based on principles of straightforward communication, respect and assertiveness.
