Positive Philosophy Of Auguste Comte Vol 2 1855:

Auguste Comte: Volume 3 Mary Pickering, 2009-09-14 This volume continues to explore the life and works of Auguste Comte during his so called second career It covers the period from the coup d tat of Louis Napoleon in late 1851 to Comte s death in 1857 During these early years of the Second Empire Comte became increasingly conservative and anxious to control his disciples This study offers the first study of the tensions within his movement Focusing on his second masterpiece the *Syst me de politique positive* and other important books such as the *Synth se subjective* Mary Pickering not only sheds light on Comte s intellectual development but also traces the dissemination of positivism and the Religion of Humanity throughout many parts of the world

The Great Power Competition Volume 2 Adib Farhadi, Anthony Masys, 2022-02-01 Even before the outbreak of the COVID 19 pandemic the Central Region faced numerous obstacles to building a stable and prosperous future The region which encompasses the Middle East the Horn of Africa Central Asia and South Asia has been plagued by economic and political uncertainty amidst dramatic shifts in the global power structure With the pandemic now exacerbating the volatility in this already fragile region the U S s strategic objectives are rife for re examination A complicated stew of factors such as weakening of established governance systems the emboldening of extremist individuals and groups through advances in digital technology the humanitarian crises in Afghanistan and Syria and the intensification of the great power competition with China and Russia are creating a fertile environment for the growth of violent extremist organizations VEOs Such organizations take advantage of vulnerable aggrieved and traumatized populations to fuel radicalization recruitment and unrest which further undermine stability and the potential for peace and prosperity While it is still early to fully understand how the ongoing response to the COVID 19 pandemic will impact U S policy this book provides a timely analysis of relevant dynamics such as popular radicalization digital information ecosystems networks of influence and new capabilities to recognize and prepare for other such black swan events in the region

Auguste Comte: Volume 2 Mary Pickering, 1993 This volume explores the life and works of Auguste Comte during the last and most controversial part of his career the period from 1842 to 1857
