Poslednee Oruzhie:

Putin and the Oligarch Richard Sakwa, 2014-02-25 The arrest of Mikhail Khodorkovsky the head of the Yukos oil company on 25 October 2003 was a key turning point in modern Russian history At that time Khodorkovsky was one of the world's richest and most powerful men while Yukos had been transformed into a vast and lucrative oil company that was set to go global On all counts this looked like a success story but it was precisely at this moment that the Russian authorities struck After two controversial trials attracting widespread international condemnation Khodorkovsky was sentenced to fourteen years in jail In this book Richard Sakwa examines the rise and fall of Yukos and the development of the Russian oil industry more generally Sakwa analyses Russia's emergence as an energy superpower and considers the question of the natural resource curse and the use of energy rents to bolster Russia as a great power and to maintain the autonomy of the regime Crucially this book also examines the relationship between Putin's state and big business during Russia's traumatic shift from the Soviet planned economy to the market system It is a detailed analysis of one of the most dramatic confrontations between economic and political power in our era full of human drama and moral dilemmas It is also a study of political economy with the market and state coming into confrontation Above all the Yukos affair continues to shape contemporary Russian politics with a weakened judiciary and insecure property rights It traces the struggles of the Putin era as two visions of society came into conflict The attack on Khodorkovsky had and continues to have far reaching political and economic consequences but it also raises fundamental questions about the quality of freedom in Putin's Russia as well as in the world at large

The Bridge Thane Gustafson, 2020-01-07 A Marginal Revolution Best Book of the Year Winner of the Shulman Book Prize A noted expert on Russian energy argues that despite Europe's geopolitical rivalries natural gas and deals based on it unite Europe's nations in mutual self interest Three decades after the fall of the Berlin Wall and the breakup of the Soviet empire the West faces a new era of East West tensions Any vision of a modern Russia integrated into the world economy and aligned in peaceful partnership with a reunited Europe has abruptly vanished Two opposing narratives vie to explain the strategic future of Europe one geopolitical and one economic and both center on the same resource natural gas In The Bridge Thane Gustafson an expert on Russian oil and gas argues that the political rivalries that capture the lion's share of media attention must be viewed alongside multiple business interests and differences in economic ideologies With a dense network of pipelines linking Europe and Russia natural gas serves as a bridge that unites the region through common interests Tracking the economic and political role of natural gas through several countries Russia and Ukraine the United Kingdom Germany the Netherlands and Norway The Bridge details both its history and its likely future As Gustafson suggests there are reasons for optimism but whether the gas bridge can ultimately survive mounting geopolitical tensions and environmental challenges remains to be seen

The Kopeck Press Felix Cowan, 2025-04-30 The Imperial Russian penny press was a vast network of newspapers sold for a single kopeck per issue Emerging in cities and towns across the empire between the 1905 Revolution

and the onset of the First World War these sensational tabloids quickly became the Russian Empire's most popular periodical genre. They appealed to a mass audience of poor and less literate readers with their low prices and accessible language. The Kopeck Press presents a comprehensive study of this phenomenon, examining its role both as a media genre and its significance as a vital forum for lower class political culture. Drawing on over seventy kopeck newspapers from thirty locations, Felix Cowan analyses these publications as a dialogic genre, emphasizing the interaction between journalists and readers. The book highlights how sensationalism was strategically used to advance the political goals of progressive journalists, editors, and publishers. As a genre of political media, the kopeck press revealed a moderate reformist current in Russian politics aimed at democratizing the empire and empowering marginalized groups, significantly contributing to the political and cultural foundations of the Russian Revolution. The Kopeck Press sheds light on the crucial role of popular media in shaping public discourse and mobilizing political change in early twentieth century Russia.

Putin as Celebrity and Cultural Icon Helena Goscilo, 2013. During his tenure as Russia's President and subsequently as Prime Minister, Putin transcended politics to become the country's major cultural icon. This book explores his public persona as a glamorous hero, the man uniquely capable of restoring Russia's reputation as a global power. Analysing cultural representations of Putin, the book assesses the role of the media in constructing and disseminating this image and weighs the Russian populace's contribution to the extraordinary acclamation he enjoyed throughout the first decade of the new millennium, challenged only by a tiny minority.

While this might not be the Poslednee Oruzhie full book , it can give you a taste of the authors writing style. Subscription Services Platforms like Kindle Unlimited or Scribd offer subscription-based access to a wide range of Poslednee Oruzhie eBooks, including some popular titles.

FAQs About Poslednee Oruzhie Books

What is a Poslednee Oruzhie PDF? A PDF (Portable Document Format) is a file format developed by Adobe that preserves the layout and formatting of a document, regardless of the software, hardware, or operating system used to view or print it.

How do I create a Poslednee Oruzhie PDF? There are several ways to create a PDF: Use software like Adobe Acrobat, Microsoft Word, or Google Docs, which often have built-in PDF creation tools. Print to PDF: Many applications and operating

systems have a "Print to PDF" option that allows you to save a document as a PDF file instead of printing it on paper. Online converters: There are various online tools that can convert different file types to PDF. **How do I edit a Poslednee Oruzhie PDF?** Editing a PDF can be done with software like Adobe Acrobat, which allows direct editing of text, images, and other elements within the PDF. Some free tools, like PDFescape or Smallpdf, also offer basic editing capabilities. **How do I convert a Poslednee Oruzhie PDF to another file format?** There are multiple ways to convert a PDF to another format: Use online converters like Smallpdf, Zamzar, or Adobe Acrobats export feature to convert PDFs to formats like Word, Excel, JPEG, etc. Software like Adobe Acrobat, Microsoft Word, or other PDF editors may have options to export or save PDFs in different formats. **How do I password-protect a Poslednee Oruzhie PDF?** Most PDF editing software allows you to add password protection. In Adobe Acrobat, for instance, you can go to "File" -> "Properties" -> "Security" to set a password to restrict access or editing capabilities. Are there any free alternatives to Adobe Acrobat for working with PDFs? Yes, there are many free alternatives for working with PDFs, such as: LibreOffice: Offers PDF editing features. PDFsam: Allows splitting, merging, and editing PDFs. Foxit Reader: Provides basic PDF viewing and editing capabilities. How do I compress a PDF file? You can use online tools like Smallpdf, ILovePDF, or desktop software like Adobe Acrobat to compress PDF files without significant quality loss. Compression reduces the file size, making it easier to share and download. Can I fill out forms in a PDF file? Yes, most PDF viewers/editors like Adobe Acrobat, Preview (on Mac), or various online tools allow you to fill out forms in PDF files by selecting text fields and entering information. Are there any restrictions when working with PDFs? Some PDFs might have restrictions set by their creator, such as password protection, editing restrictions, or print restrictions. Breaking these restrictions might require specific software or tools, which may or may not be legal depending on the circumstances and local laws.
