Possum Come A-knockin' Nancy Van Laan,1990 A cumulative tale in verse about a mysterious stranger that interrupts a family s daily routine Music through Children's Literature Donna Levene,1993-05-15 Develop music appreciation among your students with folk songs rhythmic poems stories with musical themes and picture books with strong musical links Designed for teaching flexibility these lessons can be adapted according to a teacher s level of musical proficiency and time limitations Sections cover rhythm melody form instruments music history and dance forms with lively activities that involve singing playing instruments chanting and movement These are perfect for the nonmusician who is teaching music as well as the seasoned music specialist At-Risk Students Robert

Donmoyer,Raylene Kos,1993-07-01 This book explores the circumstances of at risk students and argues that well intentioned policymakers and educators run the risk of making matters worse rather than better for these students even if their actions are based on the best social science evidence available The book demonstrates the diverse idiosyncratic nature of these students argues that traditional social science methods cannot capture this idiosyncrasy and diversity and presents research methods policies and programs that can accommodate student diversity **Cool Off and Ride!** Claudia Friddell,2023-07-11

This historical picture book about 1930s Baltimore residents beating the heat the old fashioned way by riding a trolley is filled with fascinating information on public transit and staying cool before the advent of air conditioning Everyone in Baltimore is hot and sticky from little Hazel playing on the slide to the grandma knitting on the porch So when evening comes they all jump at the chance for a little cool off and ride The whole neighborhood from the Taylor twins to Grandpa and even the dog piles onto a breezy homemade roller coaster a city trolley In this charming rhythmic romp Claudia Friddell and Jenn Harney take us back to a time before air conditioning when you had to cool off any way you could And the Cool Off and Ride Program was certainly a popular way More than 8 000 people rode the trolleys every evening in the summer Taking the streetcar brought the whole neighborhood together and everyone s fares helped keep the Baltimore streetcars running This STEAM title is a terrific read aloud that will also educate kids about weather and the history of transit in the United States

Watt, 1986 This book suggests ideas for sharing literature that may be utilized in developing a scope and sequence of literature experiences for children in grades K 5 For primary grades K 2 the activities are primarily arranged through sharing the works of a particular author or illustrator Through this deliberate exploration the child begins to know that person as a friend S he is excited about new books by that same author or illustrator and discusses

books on a level not often achieved if authors are approached only haphazardly Those included represent a variety of classic and current authors and illustrators too good to miss who have made a particular contribution to literature for young people

The Politics of the President's Wife MaryAnne Borrelli, 2011-08-15 As the West Wing has grown in power and organizational complexity during the modern presidency so has the East Wing office home to the First Lady of the United States This groundbreaking work by MaryAnne Borrelli offers both theoretical and substantive insight into behind the scenes developments from the time of Lou Henry Hoover to the unfolding tenure of Michelle Robinson Obama Political scientists and historians have recognized the personal influence the First Lady can exercise with her husband and they have noted the moral ethical and sometimes policy leadership certain presidents wives have offered Nonetheless scholars and commentators alike have treated the personal relationship and the professional relationship as overlapping Borrelli offers a compelling counter perspective that the president's wife exercises power intrinsic to her role within the administration Like others within the presidency she has sometimes presented the president's views to constituents and sometimes presented constituents views to the president thus taking on a representative function within the system In mediating president constituent relationships she has given a historical and social frame to the presidency that has enhanced its symbolic representation she has served as a gender role model enriching descriptive representation in the executive branch and she has participated in policy initiatives to strengthen an administration's substantive representation These contributions have been controversial as might be predicted for a gender outsider but they have unquestionably made the First Lady a representative of and to the president and by extension the president's administration

Teaching Phonemic Awareness through Children's Literature and Experiences Nancy A. Jurenka, 2005-07-30 Teaching phonemic awareness can be boring and repetitive in the hands of a teacher who wishes to just use a workbook approach This delightful book packs loads of fun into 75 lesson plans providing educators with myriad creative strategies for integrating word study with children's picture books Each lesson includes a read aloud book description literacy experience activity direct instruction follow up activities recommended poem and related reading The lessons build skills in phonemic awareness morphemic analysis letter identification rhyming and sight words through singing dancing games art activities cooking and interesting experiences as well as a wealth of humorous picture books The early childhood teacher who is committed to making literacy development meaningful and as much fun as possible will enjoy the wealth of valuable material here Grades K 2
