The Nightinghousls of Paris Robert McAlmon, 2010-10-01 The Nightinghousls of Paris is a thinly fictionalized memoir of the darker side of expatriate life in Paris Beginning in 1928 the story follows the changes undergone by Canadian youths John Glassco and his friend Graeme Taylor during their mis adventures in Paris while trying to become writers There they meet Robert McAlmon who guides them through the city s cafes bistros and nightclubs where they find writers and artists including Kay Boyle with whom Glassco has a fling Bill Bird Djuna Barnes Claude McKay Hilaire Hiler Peggy Guggenheim and Ernest Hemingway Fleeing France in late 1940 Robert McAlmon lost his notebook manuscripts and drafted The Nightinghousls of Paris from memory Till now it has existed solely as a typescript held by Yale University Unlike most memoirs of American expatriates in the 20s The Nightinghousls of Paris centers not only on writers but also encompasses the racial national and social m lange they encountered in everyday life

Reading Mina Loy's Autobiographies Sandeep Parmar, 2013-06-06 Mina Loy is recognised today as one of the most innovative modernist poets numbering Gertrude Stein Marcel Duchamp Djuna Barnes and T S Eliot amongst her admirers Drawing on substantial new archival research this book challenges the existing critical myth of Loy as a modern woman through an analysis of her unpublished autobiographical prose Mina Loy s Autobiographies explores this major twentieth century writer s ideas about the modern and how they apply to the modernist writer based on her engagement with twentieth century avant garde aesthetics and charts how Loy herself uniquely defined modernity in her essays on literature and art Sandeep Parmar here shows how ultimately Loy s autobiographies extend the modernist project by rejecting earlier impressions of avant garde futurity and newness in favour of a late modernist aesthetic one that is more pessimistic inward and interested in the fragmentary interplay between the past and present

Modernist Women Writers and American Social Engagement Jody Cardinal, Deirdre E. Egan-Ryan, Julia Lisella, 2019-03-15 Modernist Women Writers and American Social Engagement explores the role of social and political engagement by women writers in the development of American modernism Examining a diverse array of genres by both canonical modernists and underrepresented writers this collection uncovers an obscured strain of modernist activism Each chapter provides a detailed cultural and literary analysis revealing the ways in which modernists politically and socially engaged interventions shaped their writing Considering issues such as working class women s advocacy educational reform political radicalism and the

global implications for American literary production this book examines the complexity of the relationship between creating art and fostering social change Ultimately this collection redefines the parameters of modernism while also broadening the conception of social engagement to include both readily acknowledged social movements as well as less recognizable forms of advocacy for social change
