Postcard Cats:

Postcard Cats Libby Hall, Tom Phillips, 2005-11 *Postcard Cats* brings together over 225 beguiling cats from vintage postcards conveying the more gently sentimental mood of the first half of the twentieth century In a parade of felines which range from the exotic to the demotic the spectacular to the vernacular we can either guess at the stories that lie behind these private photographic cards of nameless cats with their anonymous owners or smile at the antics of kittens in the studios of commercial photographers Or indeed merely wonder at the cat that finds safe refuge in the barrel of a ship's gun This is a stunning companion to the much praised *Postcard Dogs* by Libby Hall who here joins forces with artist and fellow postcard enthusiast Tom Phillips Between them they have left no card unturned in the search for quintessential cats and images emblematic of that strange and touching bond that has existed between the feline and the human animal for ten thousand years
