**Diagram Graphics** Fumihiko Nishioka, 1992 A compendium of 250 assorted graphs, maps, charts, and illustrations, the latest and best in diagram graphics from all over the world. Put together with the cooperation of some of the world's leading graphic artists based in America, Holland, Britain, France, Japan, and elsewhere, this is an outstanding selection surpassing the first volume in its comprehensiveness. It showcases fine diagram design used in pamphlets, in annual reports, in magazines, and newspapers from a range of different media in different places. From computer-assisted new-wave graphics to the more orthodox, demonstrating the delicate artistry of hand-drawn graphics, this is a rare assemblage of quality artwork that is not normally accessible in collective format. A must for every designer's bookshelf.
