This collection of vintage postcards from the late 1800s through the 1950s brings to life the people, places, and events of old Kansas City. The unique postcards printed in this book capture the historic downtown area and the Country Club Plaza, as well as the private notes of a homesick visitor paying homage to a time long gone but not forgotten.

*Tourism, Progress and Peace* Omar Moufakkir, Ian Kelly, 2010 Tourism has the potential to contribute to world peace and, through appropriate management, to address current realities such as globalization, migration, conflicts, prejudices, and poverty. By providing a range of international perspectives and case studies, this book discusses the interrelation between peace, conflict resolution, and tourism; the role of industry; and the role of the individual and tourism as a catalyst for change and development. Exploring the ideas that there is more to peace than the absence of war and that there is more to tourism than economic interests, this book is the first of its kind and an essential resource for researchers, students, and policymakers in tourism and related subjects.
