*Postcolonial Theory* B. J. Moore-Gilbert, 1997 Much controversy has recently come to surround the status and value of postcolonial modes of cultural analysis Postcolonial theory has been challenged on several fronts on its interdisciplinary competence on the politics of its institutional location and its implicit will to have power over other kinds of postcolonial analysis many of which have been established for much longer than postcolonial theory itself The ensuing debate has often become so heated even personalized that the issues at stake have been obscured In what is the most comprehensive and accessible survey of the field to date Bart Moore Gilbert systematically examines the objections that have been raised against postcolonial theory revealing the simplifications and exaggerations on both sides of the argument He provides a detailed institutional history of the ways in which the relationship between culture and colonialism was traditionally studied in the West then traces the emergence of alternative forms of postcolonial analysis of such questions He gives an extremely careful presentation of the complex and elusive work of the three principal representatives of postcolonial theory Gayatri Spivak Edward Said and Homi Bhabha and considers the criticisms they have faced from an alleged Eurocentrism to an obfuscatory prose style And he assesses the overlaps and differences between postcolonial theory and other forms of postcolonial criticism Finally he considers the ways in which postcolonial analysis may be connected with different histories of oppression and looks at how such a heterogeneous theory can be reconciled with political questions of solidarity and alliance in the continuing struggle for cultural decolonization

**Postcolonialism & Autobiography** Michelle Cliff, Alfred Hornung, 1998 The two volumes on Postcolonialism and Autobiography examine the affinity of postcolonial writing to the genre of autobiography The contributions of specialists from Northern Africa Europe and the United States focus on two areas in which the interrelation of postcolonialism and autobiography is very prominent and fertile the Maghreb and the Anglophone and Francophone Caribbean The colonial background of these regions provides the stimulus for writers to launch a program for emancipation in an effort to constitute a decolonized subject in autobiographical practice While the French volume addresses issues of the autobiographical genre in the postcolonial conditions of the Maghreb and the Caribbean with reference to France the English volume analyzes the autobiographical writings of David Dabydeen Guyana Michelle Cliff Opal Palmer Adisa George Lamming Wilson Harris Jamaica and Jamaica Kincaid Antigua who have maintained their cultural Caribbean origin while living in England or the United States Critics such as William Boelhower Leigh Gilmore Sidonie Smith and Gayatri Spivak reveal the many layers of different cultures Indian African European American that are covered over by the colonial powers The homeland exile the experience of migration and hybridity condition the postcolonial existence of writers and critics The incorporation of excerpts from the writers works is meant to show the great variety and riches of a hybrid imagination and to engage in an interactive dialogue with critics

Postcolonial Theory and Organizational Analysis: A Critical Engagement A. Prasad, 2003-05-01 This book takes up a question that has rarely been raised in the field of

management Could modern Western colonialism have important implications for the practices and theories that inform management and organizations Employing the frameworks of postcolonial theory an international group of scholars address this question and offer remarkable insights about the implications of the colonial encounter for management Wide ranging in scope the book covers major topics like cross cultural management control and resistance corporate culture the discourse of exoticization in museums and tourism and stakeholder issues and sheds new light on the troubling legacy of colonialism Scholars and practitioners searching for a new idiom of management will find this book s critique of contemporary management invaluable

**Postcolonial Theory and International Relations** Sanjay Seth,2013-03-05 What can postcolonialism tell us about international relations What can international relations tell us about postcolonialism In recent years postcolonial perspectives and insights have challenged our conventional understanding of international politics Postcolonial Theory and International Relations is the first book to provide a comprehensive and accessible survey of how postcolonialism radically alters our understanding of international relations Each chapter is written by a leading international scholar and looks at the core components of international relations theories the nation geopolitics international law war international political economy sovereignty religion nationalism Empire etc through a postcolonial lens In so doing it provides students with a valuable insight into the challenges that postcolonialism poses to our understanding of global politics

**Postcolonial Theory and Psychoanalysis** Mrinalini Greedharry,2008-04-30 Psychoanalytic theory has been the critical instrument of choice for colonial critics This book examines why critics who are otherwise suspicious of Western forms of knowledge are drawn to psychoanalytic theories and whether it is possible to use such theories without reproducing the colonial discourse that also structures psychoanalytic thought

**Postcolonial Theory and Autobiography** David Huddart,2008-04-18 Cultural theory has often been criticized for covert Eurocentric and universalist tendencies Its concepts and ideas are implicitly applicable to everyone ironing over any individuality or cultural difference Postcolonial theory has challenged these limitations of cultural theory and Postcolonial Theory and Autobiography addresses the central challenge posed by its autobiographical turn Despite the fact that autobiography is frequently dismissed for its Western masculine bias David Huddart argues for its continued relevance as a central explanatory category in understanding postcolonial theory and its relation to subjectivity Focusing on the influence of post structuralist theory on postcolonial theory and vice versa this study suggests that autobiography constitutes a general philosophical resistance to universal concepts and theories Offering a fresh perspective on familiar critical figures like Edward W Said and Gayatri Chakravorty Spivak by putting them in the context of readings of the work of Jacques Derrida Gilles Deleuze and Alain Badiou this book relates the theory of autobiography to expressions of new universalisms that together with postcolonial theory rethink and extend norms of experience investigation and knowledge

*The Postcolonial Exotic* Graham Huggan,2002-09-26 Graham Huggan examines some of the processes by which value is given to postcolonial works within their cultural field using both literary critical and
