The initial chapter offers insight into her life including the early years and the remaining chapters present a detailed literary analysis of each work emphasizing the cultural insights and connections to African American literary history as well as summations of published criticism. **BOOK JACKET      *The Life of Sir William Osler*** Harvey Cushing, 2010 William Osler 1849-1919 is widely regarded as one of the most influential physicians of the late 19th and early 20th century and a key figure in the history of medicine. Besides his research activities and his dedicated scientific work, Osler's greatest contribution to the medical world has been the system of residency which he developed at the Johns Hopkins Hospital in Baltimore, thus introducing a new and deeply humanistic approach to the strictly scientific realm of traditional medicine. Harvey Cushing 1869-1939, a former student and close friend of Osler's and a pioneer of neurosurgery, has himself become an icon of modern medicine. He was one of the first physicians to use x-rays for diagnosing brain tumours; he developed revolutionary methods of blood pressure measurement and he discovered Cushing's syndrome, the first autoimmune disease identified in a human being. This monumental biography earned him the Pulitzer Prize in 1926.

***Vow of Prosperity*** Noel Jones, Scott Chaplan, 2011-07-28 If you are one of the millions who are living beyond your financial means, scraping to get by every month, allow Noel Jones and Scott Chaplan to redirect your focus and your finances toward success. Both authors are experienced and successful in their chosen fields and they share their expertise with you because they want you to succeed. To be the person God gifted you to be, *Vow of Prosperity* provides solutions that will bring financial freedom to you and/or your faith-based organization. You are introduced to both spiritual and practical solutions to attain financial security: first by establishing your core values, then by following step-by-step guidance regarding budgets, credit cards, taxes, and much more. Scripture says that the wealth of the wicked is laid up for the just, but how do you go about accessing it? Specific ways are given so you can acquire more wealth while at the same time using your God-given gifts and talents to fulfill your goals and destiny.

MISTER CAINBRIDGE WAS a West Indian merchant who owned a small grocery store in Harlem. From early morning to late evening he sat in front of his store next to the vegetables on a wooden milk crate with a faded pillow on top that served as a cushion. There, six days a week, beneath the heavy brown canvas awning cranked down over the store window, he sat representing an approachable throne of earthly grace where a familiar face was trusted to buy food on credit and during these depressive days of 1938 everybody needed a little extra time to pay for food. ***In Heaven's Eyes*** Debra Clarke, 2020-08-10. Set in the sweeping mountains of North Carolina and on the haunting rugged coast of Maine, a powerful story portraying Satan's desire to destroy lives and God's unfailing faithfulness to restore those lives. Two Women, Two Children, Two Tragedies. A youthful indiscretion produced a child who now seeks the mother he never knew. An adult indiscretion resulted in a child who will never know her dying mother. One born out of wedlock, one born out of adultery. Can this family torn apart years ago find hope as they now converge again? In this passionate debut, Debra A. Clarke delivers a poignant story filled with the hope of faith. From tragedy and heartbreak, Debra shows the miracle of forgiveness and the power of God's love. She has three children and lives in the mountains of Virginia with her husband. ***Postmark Murder*** Mignon G. Eberhart, 2012-05-29.
