Postmillennialism An Eschatology Of Hope:

Postmillennialism Keith A. Mathison, 1999 Is there hope for this world Do the promises of the gospel hold out a bright future for the families and nations of the earth In this enlightening work Keith A Mathison sets forth a wealth of biblical historical and theological evidence for an optimistic eschatology Unlike end time forecasts that see modest growth in the church before Christ s return postmillennialism expects the Spirit blessed gospel to have overwhelming success in bringing the world to Christ Mathison explains why and he calls us to renewed faith and expectation as we serve the reigning King of Kings

He Shall Have Dominion Kenneth L Gentry, 2021-04-08 This book provides a thorough presentation of postmillennialism Postmillennialism is the eschatological system of Scripture that holds that the gospel of Jesus Christ will gradually win world wide sway The postmillennialist believes that o ne day before Christ returns the world as a system will be Christianized operating on biblical principles in all areas of life This will lead to a long period in which righteousness peace and prosperity will prevail in the earth He Shall Have Dominion argues for Christianity s dominance in world affairs be means of scores of Bible verses and numerous theological observations It provides three entire chapters answering objections to the postmillennial hope

Postmillennialism & the Imminent Return of Christ Travis Fentiman, 2025-06-17 A major share of the Reformation and puritan era held to post millennialism that only after the majority of the nations convert to Christianity in the Millennium Ps 22 26 31 Isa 2 2 5 Rev 20 4 etc will Christ come again It is sometimes posed as an objection to this that Christ may come back at any time therefore post millennialism is not true Yet most of Church history has recognized from Scripture that there are prophecies which must occur before Christ comes again hence Christ cannot come at any time This article demonstrates from the Scriptures that the Lord s standing at the door and coming quickly is consistent with a robust postmillennialism

The Source of Hope John S. Hammett, 2025-08-01 In The Source of Hope John Hammett crafts a detailed and accessible introduction to the discipline of eschatology

Victory in Jesus Greg L. Bahnsen, Robert R. editor Booth, 2000-01-01 We have just ended a century dominated by a multitude of failed prophecies from those who looked to be raptured out of a collapsing world at any moment The dawning of a new millennium will hopefully cause the Church to pause and consider whether these discredited prophets should be hooted off the stage Victory in Jesus The Bright Hope of Postmillennialism offers a sober and faithful examination of Scripture while clearly demonstrating that Christians have every reason to expect the victory of Jesus and the triumph of the gospel as the Great Commission is fulfilled on earth The first three chapters edited from lectures delivered by Dr Bahnsen offer a simple and easy to understand presentation of eschatology in general and especially postmillennial eschatology These chapters are foundational and provide an excellent start for the person who wants a survey of the topic without too much technical or theological language The last two chapters build on this foundation and layout a more advanced and in depth explanation of the postmillennial position Back cover

The Twilight of Postmillennialism Michael A. Fenemore, Kurt M.

Simmons,2010-08-26 Dr Keith A Mathison is one of postmillennialism s leading proponents He describes his eschatological vision postmillennialism teaches that the thousand years of Revelation 20 occurs prior to the Second Coming An essential doctrine of postmillennialism is that prior to the Second Coming the messianic kingdom will grow until it has filled the whole earth Postmillennialism An Eschatology of Hope pp 10 191 But in his book When Shall These Things Be Mathison concedes As far as Paul knew Christ could have returned in his lifetime p 194 If Christ could have returned within Paul s lifetime how could there have been enough time for an enormous millennium culminating in the messianic kingdom filling the whole earth If you find this tremendous inconsistency disturbing The Twilight of Postmillennialism will be of interest to you Within its pages numerous specious arguments proposed by leading advocates of postmillennialism and amillennialism are exposed as fatally flawed You will be outraged as you witness Mathison and Dr Kenneth L Gentry Jr distorting simple pronouns in desperate attempts to prove their points If you are a postmillennialist prepare for a crisis of belief as Michael A Fenemore decisively disproves postmillennialism s lynchpin teaching that Matthew 24 should be divided into fulfilled and unfulfilled sections You may not know whether to laugh or cry as Kurt M Simmons exposes the ill conceived theory of unfolding eschatology proposed by Dr Richard L Pratt Jr Authors have been quoted extensively so reading their books first is not required The Twilight of Postmillennialism was written to be of value to all Christians including those with a limited understanding of post amillennialism Three articles in the appendices present powerful evidence precluding ALL eschatological systems that place the second coming of Christ in the future leaving full preterism as the only option

The Fulfillment of the Davidic Covenant Patrick W. Nasongo, 2019-01-01 The author discusses three major hermeneutical views concerning the fulfillment of the promises God made in the Davidic Covenant that is a house dynasty a kingdom realm and a throne right to rule He shows how the adherents of each view differ regarding the timing and nature of the fulfillment of each aspect He also investigates the hermeneutical methodology of each view to determine how they arrived at their conclusions and then he analyzes their conclusions from an exegetical perspective Furthermore he explains in detail and defends the view he considers to be biblical Most of all in an age where compromise on biblical interpretation has become the norm he encourages his readers to interpret the Scriptures according to the normal laws of language in order to arrive at their intended meaning I am honored to endorse this book for Patrick Nasongo His extensive research reveals why three prominent evangelical approaches differ in their interpretations of the fulfillment of the Davidic Covenant His analysis is fair and the reader will learn much about each methodology Larry A Tyler Ph D Dean Bowman School of Bible Theology Temple Baptist Seminary

Helyer, 2023-07-17 This book introduces the reader to the discipline of biblical theology In part one Helyer discusses the central problem of the unity of the Bible and the various options that have been proposed He then argues for a vital connection between the testaments forming one grand story of redemptive history and one central theme the coming kingdom of God Part two takes up the theology of three major witnesses Jesus Paul and John In these three witnesses Helyer finds the center of New Testament thought He emphasizes the importance of Jesus teaching as foundational for all the other the New Testament witnesses Without overlooking the diversity and individuality of the major witnesses he clearly demonstrates the theological unity that binds them together and provides the key to the enduring message of Scripture

Long,2009-03-19 In this compelling and hard hitting book respected preacher and teacher Thomas Long identifies and responds to what he sees as the most substantive theological forces and challenges facing preaching today The issues he says are fourfold the decline in the quality of narrative preaching and the need for its reinvigoration the tendency of preachers to ignore God s action and presence in our midst the return of the church s old nemesis gnosticism albeit in a milder form evidenced in today s new spirituality and the absence of eschatology in the pulpit Long once again has his finger on the pulse of American preaching demonstrated by his creative responses to these challenges Whether he is calling for theologically smarter and more ethically discerning preaching providing a method of interpretation that will allow pastors to recover the emphasis on God in our midst or encouraging a kind of interfaith dialogue with gnosticism he demonstrates why he has long been considered one of the most thoughtful and intelligent preachers in America today *He Shall Have Dominion* Kenneth L Gentry,2021-02-22 In this edition of this classic study of postmillennialism you will sense anew the powerful message of
